## Guidelines for LPN Clinical Teaching Associate of an NA/MA Education Program

**IMPORTANT:** This signed form of acknowledgment must be included with your program faculty application (EDU-735) when submitted to the Oregon State Board of Nursing (OSBN).

### As a Clinical Teaching Associate, the LPN may:

1. **Assist** with the *clinical* portion of the Nursing Assistant (NA) and Medication Aide (MA) education which includes:
  - a. Provide demonstration of clinical skills.
  - b. Check student off on return demonstration of lab skills prior to client care.
  - c. Check student off on skills in a supervised clinical setting while giving client care.
2. Supervise quizzes and examinations.

### As a Clinical Teaching Associate, the LPN may **NOT**:

1. Conduct full classes, either day or evening.
2. Provide the complete lecture in any given module or topic **UNLESS** they have submitted to the Board additional supporting evidence of special expertise in a particular area, and has received subsequent approval from the Board **prior to** teaching the specific topic in the education program.
3. Conduct and have responsibility for the clinical component of the education program.
4. Be utilized in any other capacity by the education program, than previously approved by the Board.
