Topic/Presenter	Discussion
WELCOME/ATTENDANCE/ GROUND RULES	
REVIEW/APPROVAL OF MINUTES	Minutes 9/26/23 meeting - approved as written
SECTION 9 OVERSIGHT UPDATE	Discussion about lack of Board oversight, however overseeing the education/training content beyond the initial nursing assistant education is not within OSBN jurisdiction. RNs and CNAs would need to comply with all applicable NPA requirements. Proposed language revision reviewed.
RAC member reactions to proposed rule language in draft OAR 851-063-0030 Authorized Duties and Standards for CNA1	Align Division 63 & curriculum policy effective 8/1/23: OAR 851-063-0030 CNA1 skills updated to address skills no longer taught in the NA education programs and new skills taught that are not in Division 63.
Page 2: Section (1)(d) Tasks associated with infection control and	No reactions

<p>prevention including Standard or Transmission Based Precautions:</p> <p>Page 2: Section (1)(f)(B) Assisting with elimination</p> <p>Page 3: Section (1)(f)(C) Assisting with personal care</p> <p>Page 3: Section (1)(f)(E) Assisting with restorative care</p> <p>Page 4: Section (1)(h)Tasks associated with technical skills</p> <p>Page 4: Section (1) Tasks associated with observation and reporting</p> <p>Page 6: Section (9)</p> <p>RAC Member Comments:</p> <ol style="list-style-type: none"> 1. Input on how adoption of rules will affect racial equity in Oregon. 2. Possible cost of compliance for your organizations. 	<p>Question - Anne Hansen asks: does nasal swabs include Covid testing?</p> <p>Barbara: yes</p> <p>Tina Kotson: support</p> <p>Lisa Rye: Remove "with a depth no greater than 6mm"-no one is measuring so it was not something we could actually hold anybody to.</p> <p>Rachel Prusak: support</p> <p>No reactions</p> <p>No reactions</p> <p>Aaron Green and Tina Kotson: opposition to removing lower leg, thigh BP measurement</p> <p>Amy Stokes and LaDonna Seeley: move to Section 9.</p> <p>Barbara: added to Section 9; Board approved removing these skills in the Curriculum Policy effective 8/1/23.</p> <p>Aaron Green, Matt Swanson, Tina Kotson, and Anne Hansen: add "evidence-based" wording in front of teaching plan.</p> <p>Barbara: evidence-based wording added.</p> <p>No reactions</p> <p>RAC members to respond to Barbara by Oct 20th on possible cost for compliance for organizations.</p>
POTENTIAL SECTION 9 SKILLS TO ADD	<p>Section 9: potential additional skills to add</p> <ul style="list-style-type: none"> • FDA approved vaccinations: two members were in favor of adding this to Section 9 but more were in opposition to adding it: will not be added • TB test (not reading): opposition by some members: will not be added • Straight cath (non-emergent): this was an authorized task in the past and was removed about 4 years ago. All in favor of adding it • Nasal iodine for surgical preparation • Applying creams/ointments for established treatments to non-intact skin (Moisture Associated Skin Damage (MASD): all in favor of adding it with language change to make it clearer
SECTION 9 SKILLS	<p>Throat Swab – included in CLIA waived tests.</p> <p>Additional skills to add to Section 9</p>
