RE: Recruitment for Rule Advisory Committee for OAR 851-070 - “Fitness for Practice Related to Behavioral Health (Substance use and/or Mental Disorders) and Cognitive or Physical Impairment”

The Oregon Board of Nursing announces a recruitment for participants to review and possibly revise OAR 851-070 “Fitness for Practice Related to Behavioral Health (Substance use and/or Mental Disorders) and Cognitive or Physical Impairment”. These rules were last reviewed in 2016 and are in need of review for relevance and/or a need for revision.

If you are interested in participating please send your request to peggy.lightfoot@state.or.us no later than close of business July 24, 2020. In your request, please include the following:

- Your name and credentials.
- If you will be representing a specific organization, please name the organization.
- Your qualifications and interest to participate in rule writing regarding the subject matter.

If selected, you will be notified by e-mail. You will also be asked to provide availability so that mutually acceptable scheduling can be arranged. It is expected that this will be about six months of work with meetings held at least once a month. Due to COVID-19 restrictions, these meetings may be virtual on the ZOOM platform.
