BEFORE THE OREGON
STATE BOARD OF NURSING

In the Matter of ) STIPULATED ORDER FOR
Margueritte Alley ) CIVIL PENALTY
) Reference No. 22-00304

License No. 082009793RN

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Registered Nurses and Registered Nurse license applicants. Margueritte Alley (Applicant) was issued a Registered Nurse license by the Board on September 28, 1982 which expired on December 15, 2019.

From the date Applicant’s license expired on December 15, 2019 until in or about October 2021, Applicant practiced nursing in excess of 100 days in Oregon.

By the above actions, Applicant has violated ORS 678.021, which provides as follows:

ORS 678.021 License required to practice nursing.
It shall be unlawful for any person to practice nursing or offer to practice nursing in this state or to use any title or abbreviation, sign, card or device to indicate the person is practicing either practical or registered nursing unless the person is licensed under ORS 678.010 to 678.410 at the level for which the indication of practice is made and the license is valid and in effect.

The foregoing is grounds for imposing a civil penalty pursuant to ORS 678.117 and OAR 851-045-0100(2)(a) which provide as follows:

ORS 678.117 Procedure for imposing civil penalty; amount; rules.
(1) The Oregon State Board of Nursing shall adopt by rule a schedule establishing the amount of civil penalty that may be imposed for any violation of ORS 678.010 to 678.445 or any rule of the board. No civil penalty shall exceed $5,000.
(2) In imposing a penalty pursuant to this section, the board shall consider the following factors:
(a) The past history of the person incurring the penalty in observing the provisions of ORS 678.010 to 678.445 and the rules adopted pursuant thereto.
(b) The economic and financial conditions of the person incurring the penalty.
(3) Any penalty imposed under this section may be remitted or mitigated upon such terms and conditions as the board considers proper and consistent with the public health and safety.
(4) Civil penalties under this section shall be imposed as provided in ORS 183.745.
(5) All penalties recovered under this section shall be credited to the special account described in ORS 678.170.

OAR 851-045-0100 Imposition of Civil Penalties
(2) Civil penalties may be imposed according to the following schedule:
(a) Practicing nursing as a Licensed Practical Nurse (LPN), Registered Nurse (RN), Nurse Practitioner (NP), Certified Registered Nurse Anesthetist (CRNA) or Clinical Nurse Specialist (CNS) without a current license or certificate or Board required concurrent national certification; or prescribing, dispensing, or distributing drugs without current prescription writing authority, due to failure to renew and continuing to practice: $50 per day, up to $5,000.

Applicant wishes to cooperate with the Board in this matter. Therefore, the following will be proposed to the Board and is agreed to by Applicant:

Based on the evidence, Applicant was practicing nursing without a current license in excess of 100 days between the dates of December 15, 2019 and October 14, 2021, equaling a total civil penalty of $5,000.00. Based on the mitigating factors that Applicant has a record of timely renewals, no prior disciplinary action and is experiencing financial hardship, the Board has determined that the civil penalty may be reduced by 50% to $2,500.00.

That the Board impose a civil penalty against Applicant in the amount of $2,500.00.

Applicant admits that the above statements are accurate and that Applicant’s actions constitute a violation of the Nurse Practice Act.

Applicant understands that this Order will be submitted to the Board for its approval and is subject to the Board’s confirmation.

Applicant understands that by signing this Stipulated Order for Civil Penalty, Applicant waives the right to an administrative hearing under ORS 183.310 to 183.540, and to any judicial review or appeal thereof. Applicant acknowledges that no promises, representations, duress or coercion have been used to induce the Applicant to sign this Order.

Applicant understands that this Order is a document of public record.

Applicant shall either make monthly or a lump sum payment(s) to the Board. If Applicant makes monthly payments to the Board:

Applicant shall make 24 payments of $104.17. The first payment is to be received by the Board by the first day of the month following the Boards acceptance of this Stipulation and thereafter, a payment on the 1st day of every month until the whole sum is paid. Please note your payment amount was rounded to the nearest whole dollar which means your final payment may be less or more than the monthly payment listed above.

Payments shall be made payable to the Oregon State Board of Nursing, 17938 SW Upper Boones Ferry Road, Portland, OR 97224, by check; alternatively, payment may be made online by logging into your Oregon State Board of Nursing Licensing Portal and clicking on Pay Civil Penalty Fees.

If Applicant makes a lump sum payment to the Board:
This Civil Penalty shall become due and payable within twenty (20) days from the date this Stipulated Order is signed by the Board President.

Payments shall be made payable to the Oregon State Board of Nursing at 17938 SW Upper Boones Ferry Road, Portland, OR 97224 by check; alternatively, payment may be made online by logging into your Oregon State Board of Nursing Licensing Portal and clicking on Pay Civil Penalty Fees.

Applicant understands that if payment is 60 days overdue from the date due as stated in this Stipulation, collection of the Civil Penalty will be assigned to the Oregon Department of Revenue. In the event any amount is assigned for collection, the Applicant is subject to further disciplinary action by the Board which could include suspension, revocation or denial of licensure.

Applicant understands that federal law requires state licensing boards to report adverse actions (resulting from formal proceeding) to the National Practitioner Data Bank (NPDB) within 30 days from the date the action was taken.

Applicant has read this Stipulated Order, understands this Order completely, and freely signs this Stipulated Order for Civil Penalty.

The Oregon State Board of Nursing (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including Licensed Practical Nurses. Misty Lewis, (Licensee) was issued a Practical Nurse license by the Board on July 6, 2000.

This matter was considered by the Board at its meeting on November 17, 2021.

On October 29, 2021, a Notice stating that the Board intended to Revoke the Practical Nurse license of Misty Lewis was sent to Licensee via certified and first-class mail to the address of record.

The Notice alleged that Licensee had a pattern of errors and discrepancies in her documentation and administration of narcotic medication, and that she failed to cooperate with the Board’s investigation.

The Notice granted Licensee an opportunity for hearing if requested within twenty (20) days of the mailing of the Notice. No such request for hearing has been received by the Board. The Notice designated the Board’s file on this matter as the record for purposes of default.

NOW THEREFORE, after consideration of its records and files related to this matter, the Board enters the following Order:

-I-

FINDINGS OF FACT

Based on the evidence submitted through the Notice and the agency file in this case, the Board finds the following:

1. Licensee was issued a Practical Nurse License in the State of Oregon on July 6, 2000.

2. On June 17, 18 and 24, 2021, Licensee documented withdrawing 3 doses of pain medication, oxycodone, for Resident J.B. but did not document in the resident’s Medication Administration Record (MAR) or chart that the doses were administered, or otherwise account for the oxycodone in her documentation.

3. J.B.’s oxycodone was discontinued by the licensed provider on July 9, 2021. Between July 9, 2021, and July 31, 2021, Licensee documented that she withdrew 11 doses of oxycodone to this resident without a valid order for the medication. On multiple occasions in July 2021
Licensee documented withdrawing oxycodone for J.B. at doses or intervals that exceeded the provider’s order.

4. Licensee failed to document 8 of 11 doses as administered in J.B.’s MAR or otherwise account for the oxycodone.

5. Licensee failed to conduct and/or document pain assessments for J.B. following the reported withdrawal or administration of pain medication.

7. During June, July and part of August, 2021, Licensee failed to conduct and/or document pain assessments for E.C. before or after withdrawing pain medication for this resident.

8. Between July 18, 2021, and July 31, 2021, Licensee documented on the narcotics log that she withdrew 14 tabs of hydrocodone for Resident J.W. Licensee failed to document administration of 13 of these doses in the patient chart and failed to account for the doses.

11. Licensee withdrew 11 doses of oxycodone for B.F. without documenting them as administered in B.F.’s MAR or chart. Licensee failed to account for the remaining doses.

12. Licensee failed to conduct and/or document any follow-up pain assessments in connection with the oxycodone withdrawn between July 9, 2021, and July 30, 2021.

13. Between July 9, 2021, and July 22, 2021, Licensee made numerous illegible entries in Resident C.G.’s MAR. Licensee scribbled over or crossed out entries, rendering original and corrected entries illegible, and failed to initial corrections.

14. On July 22, 2021, Licensee withdrew 7 doses of oxycodone for C.G., but only documented administration of 1 dose in C.G.’s MAR and failed to account for the remaining doses.

15. Licensee failed to cooperate with the Board’s investigation by continuing to fail to respond to repeated requests to attend an interview and provide written information.

16. On October 29, 2021, Board staff mailed a Notice of Proposed Revocation to Licensee via first-class and certified mail. The Notice granted Licensee twenty (20) days from the date of the mailing of the Notice to request a hearing. The Notice also designated that the agency file would be the record for purposes of default.
