TO: Oregon State Board of Nursing

FROM: Ruby R. Jason, MSN, RN, NEA-BC
Executive Director

RE: Recruitment for Rule Advisory Committee for New Nurse Practitioner License Type –
Emergency Nurse Practitioner

The Oregon State Board of Nursing (OSBN) has authorized Board staff to convene a Rule Advisory Committee (RAC) to provide input into rules related to a new Nurse Practitioner license type, the Emergency Nurse Practitioner (ENP). This RAC will make recommendations to the Board regarding possible education and licensure qualifications for the awarding of an ENP license. The OSBN is particularly interested in participation from Family Nurse Practitioners currently working in Emergency Departments and those who have a national certification as an ENP.

If you are interested in participating please send your request to peggy.lightfoot@state.or.us no later than close of business November 3, 2020. In your request, please include the following:

- Your name
- Current licensure and certification
- Current employment
- A description of your interest in this licensure

If selected, you will be notified by e-mail. You will also be asked to provide availability so that mutually acceptable scheduling can be arranged. It is anticipated that this will be a one-time meeting, but may expand to two meetings if needed. Due to COVID-19 restrictions, these meetings may be virtual on the ZOOM platform.
