

# OREGON STATE FIRE MARSHAL

# SMOKE ALARM

# INSTALLATION PROGRAM

The Oregon Smoke Alarm Installation Program (SAIP) provides free smoke alarms and educational materials to fire agencies throughout the State, for installation in homes without adequate smoke alarm protection.

The Oregon State Fire Marshal is presenting a one-hour live webinar training, which is required for fire agencies who wish to participate in the program.

#### Topics include:

- Program eligibility and requirements
- Smoke alarms and installation information
- Project planning and ideas
- Safety materials available to order
