

The list below has been compiled by Oregon State Marine Board (OSMB) staff as a courtesy resource for citizens or agencies needing vessel salvage, towing, and/or disposal services. The OSMB makes no recommendations or assurances regarding the services of any company. The companies below have expressed interest in appearing on this list and are listed in alphabetical order by city. If you own or operate a company that participates in vessel salvage, towing, storing, demolition, or disposal activities and you would like your information to be added to this list, please contact the agency at 503-856-2914 or Phillip.Hudspeth@boat.oregon.gov.
