

January 18, 2023

The recent snow and ice have brought a number of limbs and trees onto the roads and into the waterways. Use extreme caution when boating.

Winter conditions. Please be prepared that many recreation sites & roads have experienced a significant amount of rain, ice, have downed trees, or are under substantial snow. Plan ahead and be aware of any flooding in the areas you plan to travel through. The Forest Service recommends, if you encounter 3" or more of snow, it's a good idea to turn around as conditions are not likely to improve.

Seeking Water Trail Planning Volunteers: Are you interested in being a part of the planning process for the development of a Yamhill and South Yamhill River Water Trail? Please email your name, phone number, and if you are affiliated with an organization to our Administrative Specialist at ann.fleckner@boat.oregon.gov

Come Visit Us at Our Upcoming Events! OSMB will be at the following shows, This year's highlight is to learn about what it takes to improve, develop and add new amenities at boating access sites. We look forward to seeing you.
