

April 20, 2023

Agate Lake

- The ramp is open and the lake is full.

Agency Lake

- Henzel and Petric Park's boat ramps are open and boarding docks are installed.

Applegate Reservoir

- Copper boat ramp has approximately 50 feet over the bottom of the ramp.
- French Gulch has more than 100 feet of water at the bottom of the ramp.
- Hart-Tish has more than 40 feet of water at the bottom of the ramp.

Ben Irving Reservoir

- The boat ramp and dock are open.

Beulah Reservoir

- UPDATE: Water is approximately 63% full and water is 10 feet over the bottom of the ramp.

Big Lake

- Big Lake West and Big Lake campgrounds, and Big Lake Day Use and boat ramp are closed.

Blue River Reservoir

- UPDATE: Water is approximately five feet over the end of the ramp at Lookout Boat Ramp.
- The water is approximately 40 feet above the end of the Saddle Dam boat ramp, which is currently closed.

Brownlee Reservoir

- UPDATE: The Hewitt Park boat ramp is open. The Park is at full capacity for "The Crappie Shootout," a kayak fishing tournament, scheduled for May 20th. [Upcoming Events – Travel Baker County](#). A new vault toilet is being installed near the Hewitt low water boat ramp. Three new life jacket loaner stations will be in service in May.
- UPDATE: The Holcomb Park boat ramp is closed to all use. The water level is at the bottom of the boat ramp. The park is at full capacity for the Crappy Shootout scheduled for the weekend of May 20th.
- UPDATE: Farewell Bend State Park water level is approximately 10 feet above the boat ramp.
- Moonshine Mine boat ramp is open and has approximately 30 feet of water at the bottom of the boat ramp.
- The Spring Recreation Campground is currently closed due to low water. This site will begin charging fees this spring. The water is approximately 8 feet below the boat ramp. There are no water, trash service, or on-site host and the bathrooms are not maintained regularly. The fish cleaning station will not be operational until the water is turned on sometime in April. The docks are not anticipated to be in use until late May.

Bully Creek Reservoir

- The boat ramp has approximately 30 feet of water at the bottom of the boat ramp and the docks are floating.

Carmen Smith Reservoir

- The closure has been extended to the Spring of 2025.

Clackamas Lake

- Currently Closed. The tentative opening date is May 19th, depending on snow conditions. Plan ahead. When Timothy Lake campgrounds are full, consider going here and enjoy paddling on this small, shallow lake.

Clackamas River

- NEW: Moore Creek, Sandstone, and Hole-in-the-Wall boating access sites are open. Areas along the Clackamas River are still heavily impacted by wildfire damage. Visitors need to exercise caution when taking out in non-designated areas.

Clear Lake (Linn County)

- UPDATE: Boating access is clear of snow and open for paddlecraft. Winter driving conditions are still in effect, so please plan accordingly.

Coast Fork-Willamette River

- NEW: The Highway 58 bridge at Dilley Lane is part of the larger Lower Salt Creek Bridge project for seismic retrofits and scour protection. The boating access will be closed during construction. The Federal Highway Administration is working with the contractor for an anticipated schedule. The work may happen as early as June 2023 or sometime in 2024 or 2025. [Oregon Department of Transportation : Project-Details : Projects : State of Oregon](#)

Coffenbury Lake

- NEW: Fort Stevens State Park Boat Launch is open, and the lake is full.

Cold Springs Reservoir

- Cold Springs Reservoir is 48% full.

Columbia River

- NEW: City of St. Helens Courthouse Docks are open and the pumpout and dump station are operational. There will be some construction in the park throughout the summer, but access will remain open.
- NEW: City of St. Helens Sand Island North and South are open.
- From September 15 through May 14, 2023, boaters can only pass-through Bonneville, The Dalles and John Day locks during daytime hours.

Cooper Creek Reservoir

- The boat ramps and docks are open.

Coos Bay

- NEW: Repairs to North Jetty. Construction is to last until December 2025. <https://www.nwp.usace.army.mil/Media/News-Releases/Article/3327429/corps-of-engineers-to-begin-critical-repairs-to-coos-bay-north-jetty-closes-roa/>
- The California Street boat ramp is open and accessible.

- Empire Boat Ramp boarding docks were removed for inspection and repairs. Docks are anticipated to be reinstalled in late May.

Cottage Grove Reservoir

- NEW: Lakeside Boat Ramp is open, and the docks are floating.
- NEW: Wilson Creek Boat Ramp is open.

Cougar Reservoir

- Slide Creek and Echo Park are closed. The water is approximately 90 feet below the bottom of the boat ramps.

Crane Prairie

- Quinn River, Rock Creek and Crane Prairie boat ramps are open. The campgrounds are closed. Crane Prairie Reservoir is 85% full. The docks are not installed. To monitor when docks will be installed check here: [Deschutes National Forest - Home \(usda.gov\)](https://www.usda.gov/land-management/land-use/land-use-planning/land-use-planning-reports/Deschutes-National-Forest-Home)

Crescent Lake

- Crescent Lake Campground is closed. The reservoir is 10% full.

Depoe Bay

- UPDATE: Depoe Bay Boat Ramp is open. Dock installation is being completed on April 20th.

Deschutes River

- Aspen, Big River and Lava Island Day use boating access sites are open. Aspen and Lava Island Day Use are also hiking trailheads for the Deschutes River Trail. Learn more about the trail: [Deschutes National Forest - Deschutes River Trail \(usda.gov\)](https://www.usda.gov/land-management/land-use/land-use-planning/land-use-planning-reports/Deschutes-National-Forest-Deschutes-River-Trail).

Detroit Lake

- UPDATE: The reservoir is filling up slowly due to receiving more snow than rain. Because of this, many boat ramps and docks will have delayed opening.
- Hoover, Cove Creek, Southshore, State Park G Loop, State Park D, and Kane's Marina are closed.
- Mongold Low Water boat ramp has approximately 60 feet of water at the bottom of the ramp.

Dexter Reservoir

- NEW: Dexter boat ramps will be closed May 13-14, during race hours for the Pac-12 rowing competition. <https://pac-12.com/2023-pac-12-rowing-championships>
- NEW: There will be a paddlecraft demo day at Lowell State Park on May 20th. [What is Demo Day? - Oregon Paddle Sports](#)
- State Park boat ramps are open. Water is approximately six feet above the bottom of the ramps.
- The Dexter Lake Invite is April 29, is 7:00 am to 4:00 pm. The championship event is scheduled for May 14. [Women's Rowing Release 2023 Spring Schedule - Oregon State University Athletics \(osubeavers.com\)](#).

Diamond Lake

- The North end boat ramp and restrooms are open. The South end and the Thielson View locations are still closed for the season.

Dorena Reservoir

- NEW: Harms Park boat ramp is open. However, there is approximately one foot of water over the bottom of the boat ramp. It is recommended motorized boats launch at Baker Bay until the water level increases.
- Baker Bay boat ramp has more than 60 feet of water above the bottom of the ramp.

Eel Lake

- NEW: William M. Tugman State Park boat launch and kayak launch are open.

Emigrant Lake

- Lake level is at 54%. The North Ramp is open. Use caution. The inflow of water is creating high levels of wood and debris throughout the lake and near the ramp and shorelines.

Estacada Lake

- Timber Park nonmotorized boat launch will reopen May 1. A new \$5.00 parking permit is required and can be paid for by credit card at the fee machines. A \$40 season pass available by calling or emailing: 503-464-8515, pgeparks@pgn.com.

Fall Creek Reservoir

- UPDATE: North Shore low water ramp is open and there is approximately 20 feet of water over the end of the ramp. All other ramps are out of the water and gated until May.

Faraday Lake

- The lake, park and surrounding areas are closed for construction. Parking near the bridge and access to all areas across the bridge (Southeast of the Clackamas River) are closed. The area is anticipated to be reopened in 2023. [Faraday Lake \(portlandgeneral.com\)](http://portlandgeneral.com)

Fern Ridge Reservoir

- Fern Ridge Shores has more than five feet of water at the bottom of the ramp.
- Orchard Point Marina is open. There is approximately 10 feet of water over the bottom of the boat ramp.
- Perkins Peninsula Park is anticipated to open on May 14. There is approximately 10 feet of water at the bottom of the ramp.
- Richardson Park marina is open. There is approximately eight feet of water over the bottom of the boat ramp.

Floras Lake

- The Boice Cope ramp is open and accessible.

Foster Reservoir

- UPDATE: Sunnyside Boat ramp is open. The water level fluctuates between 1 and 3 feet of water over the end of the ramp. Please avoid power loading your boat on and from your trailer. Power loading and unloading can damage the lower portion of the boat ramp causing expensive repairs and permitting.
- Gedney Creek is closed. The water is approximately five feet below the end of the ramp.
- Calkins Park Boat Ramp closed. The water is 17 feet below the end of the ramp.

Fourmile Lake

- Fourmile Lake Campground and boat ramp are closed. The U.S. Forest Service anticipates reopening in July. The reservoir is approximately 30% full.

Galesville Reservoir

- UPDATE: Chief Miwaleta ramp is open. The county removed the docks. The high water is floating woody debris. Keep a sharp lookout when boating.

Green Peter Reservoir

- UPDATE: Thistle Creek and Whitcomb Creek boat ramps are open. Boarding docks will be lowered when reservoir reaches full pool for the season.

Haystack Reservoir

- The boat ramps are open and accessible. The reservoir is 90% full.

Hells Canyon Reservoir

- Copperfield boat launch is open, and the dock is floating.

Hemlock Lake

- Hemlock Lake is open.

Henry Hagg Lake

- Eagle Point Recreation Area restroom is closed for repairs. Portable toilets are available.
- Ramp A and C are open, and the reservoir is 96% full.
- May 6th Kayak Fishing Tournament - <https://www.washcoparks.org/news/hagg-lake-fishing-tournament>.

Hills Creek Reservoir

- UPDATE: Packard Creek Boat Ramp is open and there is approximately 10 feet of water over the bottom of the ramp.
- Bingham boat ramp is open; however, the water is approximately 60 feet below the bottom of the ramp.
- CT Beach is open; however, the water is approximately 50 feet below the bottom of the ramp.

Howard Prairie Lake

- Grizzly Park, Klum Landing, Willow Point, and Howard Prairie Resort are currently closed. The water level is approximately 26% full. Small boats can use the unimproved access near the dam.

Hyatt Lake

- The water level is 24% full currently.

Kinglsey Reservoir

- Campground is currently closed due to snowpack.

Lake Billy Chinook

- Crooked River Day Use and Upper Deschutes Day Use boat ramps will stay open year-round.
- Perry South Day Use is open pending road conditions.

Lake Harriet

- Lake Harriet Campground and Day Use area are currently closed.

Lake Marie

- NEW: Umpqua Lighthouse State Park is open to paddlecraft. Paddlers must carry down. There is no developed launch or dock.

Lake of the Woods

- Lake of the Woods Resort staff are available to answer inquiries by calling: 866-201-4194. The resort is open 7 days per week. Cabin and RV sites can be reserved at: <https://lakeofthewoodsresort.com/>.

Lake Owyhee Reservoir

- Gordon Gulch has 30 feet of water over the bottom of the ramp.
- Indian Creek boat ramp has 45 feet of water over the bottom of the boat ramp.
- Water is at the bottom of the ramp at Leslie Gulch.

Lake Simtustus

- Pelton Park Marina closed. The boat launch is open.
- Reservations for Indian Park Campground are now available online through the Warm Springs Fisheries Department. [Indian Park Camping – Check Availability – Department of Fisheries \(warnsprings-nasn.gov\)](https://www.warmsprings-nasn.gov/indian-park-camping)

Lookout Point Reservoir

- Signal Point Launch has approximately 70 feet of water over the bottom of the boat ramp.
- Black Canyon water level is approximately five feet below the boat ramp.

Loon Lake

- Loon Lake Recreation Site closed, due to reopen in May. The East Shore Day Use Area is open year around. Paddlecraft can carry down from the Day Use Area.

Lost Creek Reservoir

- There is approximately 35 feet of water at the end of the boat ramp.
- Takelma boat ramp has approximately 95 feet of water over the bottom of the boat ramp. The boarding docks were removed and will not be reinstalled.

Luckiamute River

- Luckiamute Landing is open.

McKenzie River

- UPDATE: Approximately ¼ mile below Ollalie Campground, there is a full-spanning strainer across the river. To find or report boating obstructions or hazards, go to [Boating Obstruction Reporting Tools \(arcgis.com\)](https://arcgis.com).
- Ben and Kay Dorris State Park: Single boat ramp open. No Park facilities due to the Holiday Fire.
- Frisell and Paradise Boat Launches are open.
- McKenzie Bridge Boat Launch is open.
- Bruckart Boat Launch is open.

Middle Fork Willamette River

- NEW: The Middle Fork boat ramp near the Dexter Dam will be closed this year for the Dexter Fish Facility Upgrade. Additional information has been requested.
- Pengra Access ramp is open.

North Santiam River

- NEW: Buell Miller Boat Ramp is open.
- Fishermen's Bend Recreation Site will remain open, however, there will be no sanitation available. Please plan ahead. [Boating Obstruction Reporting Tools \(arcgis.com\)](https://arcgis.com)

North Santiam River

- Lyons-Mehama and Stayton Bridge boat ramps are open.

North Twin Lake

- Boating access is open. The campground is closed.

North Umpqua River

- Boulder Flat raft launch, Horseshoe Bend raft launch and Gravel Bin are open. Horseshoe Bend campground is closed.

Ochoco Lake

- The reservoir is 33% full and the boat ramp is not accessible by motorized boat. Paddlecraft launching is difficult.

Odell Lake

- NEW: Shelter and Sunset Coves are closed due to snowpack levels.

Olalla Reservoir

- The boat launch is open, and the reservoir is full.

Paulina Lake

- Hazard tree inspectors identified more than 300 hazard trees within Paulina Lake Campground. Crews removed a majority of these trees last fall; however, some hazard tree removal work remains. The remaining hazard tree work will resume as soon as snow levels permit this spring. In anticipation of this work, the opening date for Paulina Lake Campground will be delayed by two weeks, to June 30. [Deschutes National Forest - Paulina Lake Campground \(usda.gov\)](https://www.usda.gov/land-management/land-use/forest-management/paulina-lake-campground)

Pilcher Creek Reservoir

- The water level is improving. Anticipated reopening in May.

Plat I Reservoir

- The reservoir is full and open for recreation.

Prineville Reservoir

- UPDATE: Jasper Point Park is open.
- UPDATE: Prineville State Park Day Use is open with 15 feet of water over the end of the boat ramp. There is a lot of debris on the water, so be cautious.
- Roberts Bay, Powderhouse Cove, and the Resort boat ramps are currently closed because of low water. Most ramps are gated when closed.
- The County boat ramp is open.
- Floating restrooms might not be installed this season due to low water levels.
- “In A Landscape” event is scheduled on April 22 at the Prineville Day Use Area. [Oregon State Parks](https://www.oregonstateparks.com/)

Rogue River

- NEW: TouVelle and Valley of the Rogue State Parks boat launches are open.
- Access at Argo Recreation Site is closed until further notice due to the Rum Creek Fire. The road is closed just past Alameda Campground to the Grave Creek Bridge.
- The Grave Creek boat launch is accessible via Lower Grave Creek Road.
- Alameda boat launch and Rand River access are open.
- Baker Park boat ramp is open. Security cameras have been upgraded at this location.
- Casey, Rogue Elk, Shady Cove, and Dodge Bridge access sites are all open.

Siletz River

- UPDATE: Moonshine Boat Ramp in Lodgsen is closed. There is a tree approximately 1 mile downstream of Moonshine Park that spans the river and due to high water levels, cannot be removed at this time. [Boating Obstruction Reporting Tools \(arcgis.com\)](#)
- Old Mill Park is open, and the ramp is in the water.
- Hee Hee Ilahee is open, and the ramp is in the water.

Snake River

- Dug Bar, Pittsburg Landing Campground are all open.
- Hells Canyon Creek boat launch is closed.

South Santiam River

- Waterloo County Boat Ramp is open.

Spring Creek

- Collier Memorial Park is closed through May.

Summit Lake

- Summit Lake is closed due to snowpack.

Tenmile Lake

- Tenmile County Ramp will have intermittent sidewalk construction, depending on weather over the next few weeks. All of the work is anticipated to be completed before Memorial Day weekend.

Thief Valley Reservoir

- Thief Valley Reservoir is full, and the boat ramp is open.

Tillamook Bay

- The Memaloose Boat Launch dredging project has been completed and the launch is now open for the public to use.

Timothy Lake

- North Arm, Oak Fork, Pine Point, and West Shore Day Use areas are closed until May 27.

Trojan Pond

- Trojan Park is open year-round for paddling and day use.

Tualatin River

- The Farmington Boat Launch restroom building is closed. Portable restrooms are available.
- ODOT is soliciting comments on the I-205 Toll Project-De Minimis Impact Determination for the Tualatin River Water Trail until **April 21**. This is your opportunity to comment on the impact of river closures during construction and your ability to use the Tualatin River. [Oregon Department of Transportation : Latest News : Oregon Tolling : State of Oregon](#)
- The Rood Bridge boat ramp is closed, and docks are anticipated to be reinstalled at the end of May.

Turner Lake

- North Turner Lake is open.

Upper Klamath Lake

- Wocus Bay ramp and docks are open. The floating restroom is temporarily moored there while the county is purchasing parts to re-anchor the restroom.

Unity Reservoir

- There is approximately 25 feet of water over the end of the boat ramp at Unity Lake State Park. The boarding docks are floating, and the campground is open.

Wallowa Lake

- Wallowa Lake State Park is open. Be cautious of recent snow and ice on the boat ramp.

Warm Springs Reservoir

- UPDATE: Reservoir is 43% full and water is two feet below the bottom of the boat ramp. Please avoid power loading your boat on and from your trailer. Power loading and unloading can damage the lower portion of the boat ramp causing expensive repairs and permitting.

Wickiup Reservoir

- Wickiup Reservoir is 66% full.

Lower Willamette (Columbia River to Willamette Falls)

- NEW: The Cedaroak Park Boat Ramp will be closed April 24 – May 5, to complete the parking lot renovation. Reopening date tentative, pending project conditions.
- The Sportcraft Landing boat ramp, boarding docks and lower parking area are open. The ODOT bridge contractor is working, so watch for barges and work boats in the area.
- Jon Storm Park dock, restrooms and pumpout and dump station are open, but the parking lot will be closed until completion of the I-205 bridge widening project.

Middle Willamette (Willamette Falls to Salem)

- NEW: Hebb Park Ramp is open, and docks are installed for the season.

Upper Willamette (Salem to Eugene)

- McCartney Boat Ramp is open.
- Peoria Park Boat Ramp is open.

Willamette River - Coast Fork

- NEW: The Highway 58 bridge at Dilley Lane is part of the larger Lower Salt Creek Bridge project for seismic retrofits and scour protection. Boating access will be closed during construction. The Federal Highway Administration is working with the contractor for an anticipated schedule. The work may happen as early as June 2023 or sometime in 2024 or 2025. [Oregon Department of Transportation : Project-Details : Projects : State of Oregon](#)

Willamette River – Middle Fork

- NEW: The Middle Fork boat ramp near the Dexter Dam will be closed this year for the Dexter Fish Facility Upgrade. Additional information has been requested.

Willow Lake

- The ramp and dock are open. The reservoir is 96% full.

Wolf Creek Reservoir

- The water level is improving. Anticipated reopening in May.
