

September 1, 2023

With nearly 1,600 boating access sites in the state, we need the recreational boating community's feedback on the condition and need for boating access improvements statewide. Over the next four months Boating Facilities Program staff will be visiting inland and coastal communities, if you can't attend an event an [online survey](#) is available.

Check and report boating obstructions or hazards [Boating Obstruction Reporting Tools \(arcgis.com\)](#)
