

October 3, 2025

The season is changing, and with that comes seasonal closures, limited availability, and the operation of amenities such as docks and restrooms. This report also moves to a bi-monthly update.

Make sure you plan ahead to ensure your put-in and take-out are both open. Facilities owned and operated by the Federal Government may not be. You can find contact information for facilities from our [Boat Oregon Map](#). You can also check any special rules for boat operations by selecting the Boating Regulation data layer.
