

# REGISTRATION FOR BOAT RENTAL BUSINESSES

Boat.Oregon.gov | (503) 378-2633

Boat rental businesses (boat livery) must register with the Oregon State Marine Board. An operator of a boat rental business is any person who is engaged in the business of renting any type of boat to another person.

**Motorboat Rentals:** If renting 5 or more motorized boats, you must pay a biennial fee of \$90 to receive a reduced registration rate of \$10 per boat, instead of the normal rate. Your boats must be registered under the livery name to qualify for the reduced registration rate.

**Non-motorized Rentals:** Once you've registered as a boat rental business, discounted permits for Waterway Access Permits for non-motorized boats 10' or longer will be available to you separately from this application.

For the complete list of livery requirements, see [Oregon Revised Statutes](#) and [Oregon Administrative Rules](#).
