Dear Mr. Howell:

A fiberglass motorboat, 17' in length, with Hull Identification Number MIJ70020B585, registration number WN 8284 KR, was seized by the Oregon State Marine Board August 13, 2024. The enforcement agency served a pre-seizure notice to you, the owner, in a letter dated June 20, 2024. The deadline to prevent the seizure by either remedying the problem or requesting a hearing was 12:00 pm, July 1, 2024.

U.S. Coast Guard Vessel Identification System records indicate that you are the owner of this vessel. As the owner, you are liable for all costs arising from salvage, towing, storage and disposal. You may immediately reclaim your vessel by presenting proof of ownership and paying the salvage, towing, and storage cost that have accrued so far. The current estimated charge is \$4,587.

You have the right to request a hearing to challenge the seizure of the vessel. If you wish to request a hearing, you must submit your request in writing to the OSMB not more than 10 days after the date of this notice. The deadline to request a hearing is:

12:00 pm, Thursday, August 29, 2024

To prevent disposal of the seized vessel, you must reclaim the vessel and pay all accrued costs prior to:

10:00 AM, Friday, September 13, 2024

If you fail to reclaim the vessel prior to the date specified in this notice, the title to the vessel will be vested with the Oregon State Marine Board. The vessel will be destroyed, and you will remain liable for unpaid costs. The total cost of salvage, towing, storage and disposal is estimated to be \$5,737, but the final costs could be higher or lower than this estimate.

If you have questions, please contact Phil Hudspeth at the Oregon State Marine Board, at 503-856-2914 or phillip.hudspeth@boat.oregon.gov.
