

Do your part **RECREATE RESPONSIBLY**

Towed watersports are a lot of fun. To ensure boating opportunities continue to be accessible, boaters need to be responsible and courteous.

It Starts with You

- ▶ Maximize your distance between other boats, docks, and shorelines

- ▶ Keep your music at reasonable levels

- ▶ Minimize repetitive passes in one area

- ▶ Keep up-to-date on state and local laws

Wakes can be made larger by the size and shape of the water body. Knowing your boat helps you understand how to modify your operation to match the circumstances and be a more responsible boater.

做好您的本分 有责任心地消遣

拖曳水上运动非常好玩。为了确保能继续提供划船机会,划船者必需有责任心并有礼貌。

从您开始

- ▶ 尽量增加您与其他船只、码头和海岸线之间的距离

- ▶ 将音乐保持在合理的水平

- ▶ 尽量减少重复在一个区域来回经过

- ▶ 要了解最新的州和地方法规

水体的大小和形状可以使尾流变得更大。了解您的船可以帮助您明白如何调整您的操作以配合不同的情况并成为一名更有责任心的划船者
