Please allow at least 10 business days for processing. You may bring your paperwork to our office; however, licenses will not be issued over-the-counter. We ask you to plan accordingly. Remember, if your guide license has expired, you may not advertise or provide guided outdoor recreational activities until your renewal Outfitter Guide Registration has been issued.

Applicant Requirements:

- A completed application
- Certificate of Liability Insurance
- American Red Cross or equivalent First Aid / CPR card
- \$5000 Surety Bond (if you or your agent/online booking company accepts deposits, see below)
- United States Coast Guard Operator License (if operating a motorized boat in federally navigable or non-navigable waters) **OR** OSMB Motorized Passenger Boat Operator's Certification (MPBOC) (if operating a motorized boat on Inland non-federally navigable waters only).
- Annual non-refundable fee (OR Residents: \$150; out-of-state residents: see schedule on next page)
- Make checks payable to the Oregon State Marine Board (OSMB).

Items to Note:

Liability Insurance

A Certificate of Liability Insurance of not less than \$500,000 combined single limit per occurrence, covering the Outfitter Guide and their employees for bodily injury or property damage, must be current and on file at the Marine Board. The certificate must match the name and business name(s) on the application, list the Marine Board as the certificate holder, list the operations (activities) covered, and if applicable, the types and number of boats used.

First Aid and CPR

A current certificate issued to the Outfitter Guide that meets the minimum standards set by the American Red Cross (Internet courses with no hands-on testing are not acceptable). Contact our office for a list of acceptable providers if you are unsure. A copy of a valid certificate for the Outfitter Guide must be on file at all times. The Outfitter Guide is responsible to make sure all employees carry valid First Aid/CPR certification.

Employees

The Outfitter Guide must provide the names, addresses, dates of birth, and First Aid/CPR certification expiration dates of all employees, agents, and parties of interest who physically provide or who directly assist in physically providing outfitting and guiding services. Those employees of fishing guides, who conduct, lead or assist in angling activities, or operate or assist in the operation of a watercraft used for angling activities **must be individually registered** as Outfitter Guides. Prior to providing services, the Outfitter Guide must notify the Marine Board by submitting the last page of this application (or a similar format) by mail, email, or fax, noting any additions or deletions of employees.

US Coast Guard Operator License or Motorized Passenger Boat Operator's Certification

A valid USCG Merchant Mariner's Credential (MMC) must be carried by all Outfitter Guides or employees who operate a motorized boat in federally navigable waters of the United States. If operating a motorized boat on non-federally navigable waters, the operator must have either a MMC or an OSMB Motorized Passenger Boat Operator's Certification (MPBOC). Copies of these certifications must be submitted or already on file. See our website for the information regarding applying for the MPBOC.

NEW: Please submit **proof of current random drug screening consortium participation** with your application.

Surety Bond

A Surety Bond in the amount of \$5,000 naming the Oregon State Marine Board must be submitted for any Outfitter Guide or their agent that accepts deposits of more than \$100 per person. An agent may be a broker, representative or booking company or website that may accept money on your behalf. A deposit is any money accepted in advance.

Secretary of State Business Registry

In Oregon, if you conduct your guiding service under a business name, and your business name does not include your first, middle initial and last names, you must annually register the business name with the Oregon Secretary of State's Business Registry. GUIDES OPERATING ON WHITE WATER

SPECIAL TRAINING and EXPERIENCE REQUIREMENT for Class III and Higher Rivers

ORS Chapter 704.070 Requirements for safety equipment, experience and training.

(1) A person who acts or offers to act as an outfitter and guide using boats to carry passengers on the waters of this state shall:

(a) Equip each non-motorized boat that is under the direct operation of an outfitter and guide or an employee of an outfitter and guide to carry passengers on waters rated as class III or higher on a commonly accepted scale of river difficulty with a rescue throw bag, complete with a length of artificial fiber rope and a buoyant bag;

(b) On any section of waters rated as class III or higher on a commonly accepted scale of river difficulty, require that all persons physically providing outfitting and guiding services and all passengers wear a properly secured United States Coast Guard approved personal flotation device of a type prescribed by rules adopted by the State Marine Board.

(c) If the outfitter and guide operates non-motorized boats carrying passengers on any section of the waters rated as Class III or higher on a commonly accepted scale of river difficulty, require that all persons physically providing outfitter and guiding services meet the following requirements:

A. Prior to providing the services, have completed at least one trip on that section of water in a non-motorized boat; and

B. Have been trained in:

- ✓ Equipment preparation and boat rigging.
- ✓ Understanding and recognizing river characteristics and hazards.
- ✓ Methods of scouting rapids.
- ✓ Methods of physically guiding boats through rapids.
- ✓ Proper client communication.
- ✓ How to provide paddling and safety instruction.
- ✓ Methods of river rescue techniques, including emergency procedures and equipment recovery.
