

4	a) Explain the reasons behind the proposed rule changes.		
	b) Describe in detail the effects that the proposed rule changes would have.		
5	Describe any potential economic impacts your proposal could have on businesses.		
6	Is the existing rule still needed?		
7	Are you proposing to change or repeal the existing rule due to concerns about complexity?		
8	Does the existing rule overlap, duplicate, or conflict with other state or federal rules or local government regulations?		
9	Since the adoption of the existing rule, have there been changes in technology or economic conditions that contribute to the need to change or repeal the rule?		
10	The petition must be signed by or on behalf of the petitioner
