

# Fire Defense Board Preparedness

## Single Resource Requests

July 21, 2020

---

The Oregon Office of State Fire Marshal has identified three positions we may seek to fill as single resources through the Fire Defense Board system during the 2020 fire season. These personnel would be reimbursable per the Oregon Fire Service Mobilization Plan and must arrive in an agency command vehicle. All personnel should arrive with necessary personal supplies as well as COVID-19 PPE. All personnel must have completed basic ICS courses to include IS-100, 200, 700, 800 and ICS-300. Personnel who have completed S-130/190 are preferred and should arrive with a fire shelter. Personnel with experience working in ICS are preferred.

- Logistics Aide
  - Duties: support Logistics Section in a variety of roles including camp support, pick-up/drop-off, coordination, and disinfection of cache supplies and high-touch surfaces.
  - Attributes: problem-solving attitude; ability to work well with others; capable of lifting and carrying 50+ pounds regularly.
  
- Cache Manager
  - Duties: support Logistics Section by managing OSFM supply cache. Check-out and receive cache equipment, to include disinfection of cache supplies.
  - Attributes: basic understanding of cache management; ability to work well with others; capable of lifting and carrying 50+ pounds regularly.
  
- RADO
  - Duties: monitor radio as directed by Communications Unit Leader. Shifts may include overnight work.
  - Attributes: basic understanding of emergency communications terminology; ability to work well with others; adaptable.
  - Position Description: <https://www.nwcg.gov/positions/rado/position-ipd>

Single resources may be requested to fill other positions as the need arises.
