

I PLEDGE TO BE SAFE WITH FIRE. BY MAKING THIS PLEDGE I'M COMMITTING TO:

1. Never touch matches or lighters.
2. Create and practice a home fire escape plan.
3. Remind my parents to test their smoke alarms once a month.
4. Encourage my friends and family to make good choices about fire safety.

I pledge to do this because I know that the best way to fight fire is to prevent it from starting.
