# Rules and Statutes

It is very important when one considers application for a promoter license, to take the time to familiarize oneself with the laws and rules of Oregon pertaining to combative sports.

Oregon State Athletic Commission statutory authority is contained in Oregon Revised Statutes (ORS) Chapter 463 – Unarmed combat sports and Entertainment Wrestling, these laws can be found online at: [https://www.oregonlegislature.gov/bills\\_laws/ors/ors463.html](https://www.oregonlegislature.gov/bills_laws/ors/ors463.html)

Oregon Administrative Rules (OAR) is the official compilation of rules and regulations having the force of law in Oregon. These are the regulatory and administrative corollary to the Oregon Revised Statutes, and can be found at:

[http://arcweb.sos.state.or.us/pages/rules/oars\\_200/oar\\_230/230\\_tofc.html](http://arcweb.sos.state.or.us/pages/rules/oars_200/oar_230/230_tofc.html)

# Pre- Event Preparation

## STEP 1: Submit at least 60 days prior to event

<b>Requirements:</b>
<b>Event Application</b>
<b>Seating Plan Filed w/ Director</b>
<b>Register Fight Card w/ ABC or Submit Fight Card to OSAC</b>
<b>Pre-fight plan (230-030-0190)</b>

Event applications should be submitted a minimum of 60 days prior to the event date. A seating plan must accompany an event application. Upon submission of the event application, OSAC staff will immediately ask physicians and officials for their availability. Once a physician has accepted the event, and there are sufficient officials available for the event, OSAC will email the promoter an official event approval. This approval will provide event details including date, time and location of weigh-in and pre-fight medicals as approved by the Administrator. Please take the time to review the details to avoid any issues as the event date approaches.

Professional Boxing Event Application:

MMA Event Application

Kickboxing Event Application

Upon approval of the event, we ask that the promoter scheduling an MMA event register their fight card on the ABC Mixed Martial Arts Database.

For MMA events, accessing the Mixed Martial Arts Database information is below:

**Letter to Promoters** <https://abc.mixedmartialarts.com/includes/downloads/PromotersLetter.pdf>

**Instructions** <https://abc.mixedmartialarts.com/includes/downloads/PromotersManual.pdf>

**Login** <http://abc.mixedmartialarts.com>

For Professional Boxing, Kickboxing and Muay Thai events, submit the fight card to OSAC.

Professional Boxing event promoters must also submit Fight Fax for each competitor on their card.

Fight Fax information, email: [officialrecords@fightfax.com](mailto:officialrecords@fightfax.com)

It is very important that as bouts are scheduled, cancelled and as competitors change, notification is made either to OSAC or updated via the ABC website. The Administrator must approve all bouts and is unable to do so if the card is not maintained.

# Event Prep Deadline

## STEP 2: Submit a minimum of 4 working days prior to event

<b>Requirements:</b>
<b>Licensing of Competitors - Complete</b>
<b>Licensing of Professional Seconds - Complete</b>
<b>Hotel reservations for officials if applicable</b>
<b>Pro Competitor Contracts</b>
<b>Pay Officials Fees</b>
<b>Medical Insurance / Pre-filled with Promoter policy information</b>
<b>Completed Fight Card Updated on ABC or submitted to OSAC</b>

## LICENSING OF COMPETITORS

OSAC understands that the process of ensuring all competitors are licensed is a challenging and stressful affair for promoters. Promoters are encouraged to require competitors to become licensed as a precursor to being added to the fight card. It is our strong belief that in doing so, card modifications will be greatly reduced, competitor training time will be increased, and preparation for the official weigh-in can be conducted more safely over a longer period of time. A decrease in the need for last minute substitutions due to incomplete license applications would greatly reduce promoter stress.

All applications for competitor licensure must be complete 4 days prior to the commencement of the event. OSAC may make adjustments to this deadline. As a benefit to the promoter, OSAC will provide a weekly update to the Competitor Requirements Form, with more frequent updates the two weeks leading up to the event.

### License Requirements:

All Mixed Martial Arts competitors are required to hold a National MMA ID card and be licensed by the Oregon State Athletic Commission to participate in MMA events in Oregon. The National ID is issued by the athletic commission in the state in which the competitor lives. If the resident state does not have a commission, Oregon State Athletic Commission can issue the license. The National ID is valid for 5 years. The OSAC license is valid for 1 year from issuance.

Professional Boxers are required to hold a Federal ID through ABC as well as be licensed by the Oregon State Athletic Commission to participate in Professional Boxing events in Oregon. The Federal ID must be issued by the athletic commission in the state in which the competitor lives. If the resident state does not have a commission, Oregon State Athletic Commission can issue the license. The Federal ID is valid for 4 years and the OSAC license is valid for 1 year from issuance.

Kickboxers and Muay Thai competitors are required to be licensed by the Oregon State Athletic Commission to participate in Kickboxing or Muay Thai events. Requirements for licensure varies based upon license type. Both are issued by the athletic commission. The OSAC license is valid for 1 year from issuance.

## **SCHEDULE OF FEES ORS 230-090-0035**

If rooms are not provided by the promoter, such officials are entitled to \$50 upon presenting a hotel receipt (not to include meals, telephone, etc.) Officials must make prior arrangements to be eligible for payment.

Approximately 2 weeks prior to the event OSAC will provide the promoter with an invoice for officials fees to be paid by the promoter in the form of an official check or by credit/debit card 4 days prior to the event commencement.

The official's fees are calculated based on the estimated net gate. Below is a breakdown of the fees.

The number of officials scheduled is based on the scope and scale of the event and any special circumstances/requirements of the event/venue. Televised events, pro bouts on the card, larger number of bouts on the card, etc., may require additional officials. At a minimum there will be the following officials assigned to each event:

- 1 Referee
- 3 Judges
- 1 Timekeeper
- 5 Inspectors
- 2 Doctors
