iLearnOregon provides a place to make training affordable and accessible. iLearn assists OSFM in keeping Oregon communities safe by providing consistent and effective training to fire departments and citizens.

- One stop shopping: allows fire department personnel and community members to view and access OSFM training—online, classroom, curriculum, and tests
- Increases the quality and consistency of statewide training
- Delivers and tracks training and reporting
- Reduces training expenditures related to student/instructor travel and facility costs
- Allows students to train and test at their convenience and build their transcripts
- Improves communication with participants through group email, collaboration spaces, blogs, documents and announcements
