The HM04 boundaries are identical to the Klamath County/Lake County boundaries.

Contact Monte Keady at: mkeady@kcfcd1.com

Klamath Co. Fire District #1

HazMat 05/Linn/Benton –

The Northwest corner of HazMat Team 5's area begins at the southern boundary of North Lincoln County Fire District at the coastline. The northern boundary continues east through Lincoln County following the southern boundary line of the North Lincoln County Fire District. Continuing east into Polk County meeting the Southwest Polk Fire District. Follow the southern boundary line of the Southwest Polk Fire District east. Continue east to the Fall City Fire District boundary line. Following the north Fall City Fire District boundary line and encompassing all of Fall City Fire District, continue east until Fall City Fire District meets with Polk County Fire District #1. Following the north Polk County Fire District #1 boundary line and encompassing all of Polk County Fire District #1, continue east across the Willamette River into Marion County still following the Polk County Fire District #1 boundary line. Once on the east side of the Willamette River continue south following the Polk County Fire District #1 and Salem Suburban Fire Protection District Boundary line. Continue south until meeting the northern boundary line of Jefferson RFPD. Continue to follow the north boundary line of the Jefferson RFPD east through Marion County until the boundary line meets up with Linn County. HM5 covers all of Linn County with the exception of the northeast corner of the county where highway 22 enters Linn County and connects with highway 20 and continues east meeting the Linn/Jefferson County line. Highway 22 south to highway 20 junction and then east on highway 20 is HM13 area. The areas east of highway 22 and north of highway 20 in Linn County also belong to HM13. The east boundary line for HM5 follows the Linn County/Jefferson County line south from highway 20 ending at the southeast corner of Linn County. The southern boundary of the response area is all the southern borders of Linn, Benton and Lincoln counties. The western boundary is the Pacific Ocean.

Contact Scott Cowan at: scott.cowan@cityofalbany.net

Consists of the Corvallis, Albany, and Lebanon Departments.

HazMat 07/Portland –

The HM07 response area is the area within the following boundary: The Northern boundary begins at the Eastern most point of McGuire Island on the Columbia River and follows the Oregon-Washington State Line West and Northwest along the Columbia River to the intersection of the Western boundary of the Columbia County. The Western boundary follows the Columbia/Clatsop County Line South from the intersection of that line with the Oregon-Washington State Line to the intersection with the Southern Columbia County Line. The Southern boundary is the entire Southern Columbia County Line extending from the Columbia/Clatsop line eastward to the intersection with the Multnomah County Line. From that point, the Southern and eastern boundaries of the HM07 response area are the southern and eastern borders of the area served by the Portland Fire Bureau

HazMat 08/Southern Oregon –

HM08 boundaries are identical to the Jackson/Josephine County boundaries.

Contact Brian Fish at: brian.fish@ci.medford.or.us

Consists of the Medford Fire Department, and Ashland Fire and Rescue

HazMat 09/Tualatin Valley –

Region 9 includes the area within the boundary described below: The Region 9 boundary includes all of Tillamook County, except for the area serviced by Nestucca RFPD, Washington County in its entirety, and the portions of Multnomah County serviced by Tualatin Valley Fire and Rescue. From the point where the Clackamas County, Multnomah County, and Washington County boundary lines meet, the northern boundary of Region 9 extends east along the Clackamas County border to where it meets the Willamette River. The boundary then moves south along the Willamette River. The cities west of the Willamette River within the Tualatin Valley Fire and Rescue response area are included in Region 9, including the City of Lake Oswego and the City of West Linn. The boundary moves east and crosses the Willamette River, at the point due west of the northern boundary of Canby RFPD. Region 9 encompasses all of Canby RFPD. The boundary of Region 9 extends from Canby RFPD's most southwestern point, due west to the Marion County line. The boundary then extends south following the Marion County and Clackamas County line, to where it intersects with Highway 211. The boundary then runs west along highway 211, meeting the northern boundary of Woodburn RFPD. The boundary extends north, west, and south along the northern and western borders of Woodburn RFPD to the southernmost point of the shared boundary between Woodburn RFPD and St. Paul RFPD, then heads west along the southern border of St. Paul RFPD to the western Marion/Yamhill County line. Yamhill County is included in its entirety, except for areas served by Amity Fire District, Sheridan Fire District, and Willamina Fire District.
