

Hello Multnomah County LEPC,

I have a couple of more updates for you and a reminder that the Multnomah County LEPC will be meeting this Friday, February 12th at 11am at the Portland Fire Training Center, 4800 NE 122nd Ave.

<https://www.google.com/search?q=4800+NE+122nd+Avenue+Portland%2C+OR++97220>

Allison Boyd is still seeking feedback on the Multnomah County Human-caused and Technological Hazard Identification and Risk Assessment draft report and she will be presenting some updated information about the plan on Friday. If you want to talk to her, catch her at the meeting, email her at allison.boyd@multco.us or give her a call at 503-988-8362.

Mike Greenburg from Oregon DEQ will be at the meeting to update us and answer questions about the high levels of cadmium and arsenic that were recently found in air samples in SE Portland.

Agenda

- Call to Order
- Minutes approval
- Report of the Executive Committee
- Continuing Business
- New Business
- Allison Boyd, Multnomah County will discuss the County Hazard Report Draft
- Mike Greenburg – Oregon DEQ will discuss the SE cadmium and arsenic situation
- Adjourn

Coming Attractions:

Jeremy Van Keuren from the Portland Bureau of Emergency Management will be attending the March, 2016 meeting to update us on the work of the Portland Neighborhood Emergency Team Program.
