Renewal Criteria and Process

Once a recognition certificate is issued, it remains in effect as long as three criteria are met (see diagram below). If the criteria lapses, then the OSFM recognition certificate is considered to be "Inactive."

OSFM will confirm your status through ICC, DPSST and our own records, and will update the status of the recognition certificate.

The certificate holder does NOT need to contact OSFM to recertify (unless there is an error in our records). OSFM will contact you if your certifications on any of the below criteria have not been met.

Specialist I	DPSST's NFPA Fire Inspector I ICC Fire Inspector I
Specialist II	DPSST's NFPA Fire Inspector II ICC Fire Inspector II
Fire Marshal	DPSST's NFPA Fire Inspector III ICC Fire Inspector II
