### **Benton County Sex Offender Compliance Sweep**

On October 26, 2023, members of the Corvallis Police Department, Benton County Sheriff's Office, Benton County Parole and Probation, the United States Marshal Service, and the Oregon State Police Sex Offender Registration Section participated in a multi-agency sex offender compliance sweep in Benton County.

The mission of the sweep was to conduct compliance checks to ensure offenders are complying with the condition of their registration requirements, target non-compliant offenders who missed one or more reporting requirements, conduct compliance checks on higher risk offenders, and educate offenders on new state laws pertaining to reporting intended international travel.

The following were the results of the operation:

- 145 compliance checks were conducted on registered offenders.
- Five arrests/citations charges for ORS 163A.040 – Failure to Report as Sex Offender.
- One arrest on an unrelated warrant.
- Three warnings for registration requirements.
- Five offenders registered post law enforcement contact.
- Identified 19 offenders who were not residing at their reported residence.

The Corvallis Police Department would like to thank all agencies who participated in the sweep to make our community a safer place.
