

OREGON OFFICE OF STATE FIRE MARSHAL

PARTNER AGENCY CONTACTS

The Oregon Office of State Fire Marshal (OSFM) is mandated through Senate Bill 762 to develop and maintain a defensible space code. The OSFM can answer questions about defensible space code requirements and defensible space best practices. For other elements related to Senate Bill 762, different state agencies are the expert in those fields. Find which agency to contact for specific topics below.

RISK CLASSIFICATION	HOME HARDENING	INSURANCE

WILDFIRE RISK MAP

The Oregon State University (OSU) created the wildfire risk map. They continue to manage the data and the map interface on the Wildfire Risk Explorer.

OSU can answer questions regarding:

- Data questions
- Wildfire Risk Explorer
