

Oregon's Occupational Therapy Workforce

Based on data collected during 2017 and 2018

These fact sheets provide a snapshot of the state's occupational therapy workforce using data collected by the Oregon Health Authority in collaboration with the Oregon Occupational Therapy Licensing Board.

The mission of the board is to protect the public by supervising occupational therapy practice.

The board is responsible for protecting the health, safety and welfare of individuals who receive occupational therapy services in Oregon. The role of the board is to investigate complaints and take appropriate action; make and enforce laws and rules regarding occupational therapy practice; establish continuing education requirements; process applications and issue license and renewals; collect fees and authorize disbursements of funds.

Workforce data were collected for occupational therapists and occupational therapy assistants and are presented as individual occupational profiles.
