Occupational Therapy Licensing Board

The Occupational Therapy Licensing Board regulates the practice of occupational therapy through licensing and disciplinary programs. The Subcommittee recommended a budget of \$711,487 Other Funds expenditure limitation and two positions (1.65 FTE), which is an 11.3% increase from 2019-21 legislatively approved budget and provides the Board with an ending balance of \$275,756, which is approximately 9.3 months of operating expenses. The Subcommittee recommended the following packages:

Package 070: Revenue Shortfalls. This package reduces personal services by \$29,377, including a reduction of 0.10 FTE and services and supplies by \$25,000 to increase the Board's ending balance.

Package 099: Microsoft 365 Consolidation. Microsoft 365 is being consolidated within the office of the State Information Officer at the E5 level of service. This cost is built into the State Government Service Charge for every agency as a cost increase for the 2021-23 biennium. This package makes a corresponding reduction to the agency base budget in an amount equivalent to what agencies should be paying in the current 2019-21 biennium for Microsoft 365 at the E3 level of service.

Package 105: Licensure Renewal Fee Increase. The Board requested an adjustment to its fee schedule to offset increasing operating costs. This package authorized the Board to increase fees, which are projected to generate \$131,950 Other Funds revenue for the 2021-23 biennium.

AGENCY SUMMARY

ORBITS Budget Narrative

Occupational Therapy: Program Description

AGENCY SUMMARY

Mission Statement and Statutory Authority: The Occupational Therapy Licensing Board was created in 1977. Oregon was the seventh state to have licensure laws for the Occupational Therapy profession. The Board's mission is to protect the public by supervising occupational therapy practice, and assuring safe and ethical delivery of occupational therapy services in Oregon. The Board's authority and responsibilities are defined in ORS 675.210 through ORS 675.340 and Oregon Administrative Rules Chapter 339.

ORBITS Budget Narrative

License numbers increased between 2018 and 2020 to over 3000 practitioners. However in 2020, renewals occurred during the outbreak of COVID-19, 22% did not renew. The numbers grew back to over 3050 renewals, however for renewals 2022, we lost 24%, there was no growth.

2019-2025 Six Year Agency Plan

The Board reviews the disciplinary process, and matrix for disciplinary complaints or misconduct. The Board will focus on supervision issues, therapists working in schools, and Telehealth. We continue to track Pain Management and are now tracking cultural competency CE. We continue to collect workforce data. The Board has its new database in place helping the Board better track data and issue licenses and renewals more efficiently. Pacific University has an OT doctorate program. Linn-Benton Community College has an OT Assistant program that offers distance learning. There are 2 new OT schools opening up in Oregon. Western U College of Health Sciences – an OTD program starting in 2022, and George Fox MOT program in 2024. The board implemented FBI fingerprint background checks in 2018 for all new applicants, limited permits and reinstatements and will continue to run Law Enforcement Data System (LEDS) on all licensees prior to renewals. The board implemented a new military spouse temporary license in 2019. The board held a strategic plan session in September of 2022.

The Board has adopted the following initiatives to achieve its goals:

- Maintain and increase the current level of **efficiency**: The two year online renewal with credit card or check payment is mandatory and includes collection of Supervision information, Workforce Data, and Cultural competency CE. The Board tracks supervision for OT Assistants by cross checking and following up on education about supervision requirements. The online application and renewal process is streamlined and paperless. The Board maintains updated information on their website www.oregon.gov/otlb for license verifications, applications, continuing education and supervision as well as FAQs.
- Assure that all licensed occupational therapy practitioners **update their professional skills**. The Board completed online confirmation of new Pain Management and Cultural competency CE will continue to monitor completion of these requirements for all new licensees. All licensees who are currently certified must upload their CE completion certificates during the renewal process. The Board conducts random CE audits on non-certified licensees.
- Work with licensing boards, regulatory agencies, the governor's office and the legislature to **identify common concerns** on licensing, discipline, mandatory reporting, workforce assessment, background checks and other requirements to benefit citizens of Oregon.

ORBITS Budget Narrative

- Provide consumers with information on what to expect from occupational therapy services and how to file **complaints**. Provide education to licensees about proper conduct including the requirement to report misconduct of any health professional in Oregon. The Board has a free online law/ethics exam required for each new applicant.
- Meet with the OT community, and present information at the annual OT Association of Oregon conference. The Board Director talks to students at the OT school at Pacific University and the OT Assistant School at Linn-Benton Community College. The OT Assistant school provides an online program to improve availability of OT Assistants in smaller communities.

2018-2022 Four Year Agency Plan: The focus of the Board:

- Make discipline process effective to protect the public with focus on education, and providing information on website.
- Encourage relevant Continuing Education to elevate practice and evaluate and audit continuing education records.
- Track completion of the on-line Pain Management & Cultural Competency Continuing Education and Work Force Date requirement for licensees.
- Work with other health boards on common disciplinary issues on investigations, background checks, DUI, reporting misconduct.
- Continue to provide efficient and cost savings with the online two-year license renewals with credit card payment.
- Provide website information on applications, newsletters; laws and administrative rules, and changes.

The Board continues to improve its licensing, fast and convenient online information, including verification of licenses, and answering questions on practice, application procedures and continuing education.

Criteria for 2023-2025 Budget Development:

In developing the 2023-2025 Budget, the Board considered projected revenues and proposed expenditures, using as its criteria to evaluate each budget component whether it:

- Contributes to public safety.

ORBITS Budget Narrative

- Is required for licensing, investigation and disciplinary functions?
- Enhances customer service.
- Improves and streamlines agency operations.
- Requires changes to existing laws and rules to improve Board process and procedures.

Environmental Factors:

- State and Federal changes to health care affect OT practice. About 21% in the Hospitals: Inpatient, 16% in Private outpatient/clinics, 13% in Skilled Nursing Facilities/Long Term Care, 13% in Home Health/Hospice and. Others work in schools and other facilities.
- The number of medically fragile children, the aged and disabled population has grown in Oregon. Medical/technological advances extend survival rates and there is an increased need for rehabilitation OT services to improve functional capacities.
- There is increased need for OTs to work with patients and families who have children with low birth weight, AIDS exposure, illegal drug use and increased numbers of developmental handicapped, including soldiers returning from war to help train them in appropriate care.
- Occupational therapists in private practice rises with more diversification of practice i.e. ergonomic studies in industrial settings, consultation in ADA compliance, and vision care, working with children, and wellness health care to name a few.
- NBCOT, the National Certification Board requires at least a master's degree in OT. Pacific University has an OT doctorate program and starting in 2022, Western Univ. College of Health Sciences will begin its OTD program in 2022. George Fox will begin its Masters program of OT in 2024. Linn Benton Community College has an OT Assistant program that offers distance learning.
- Older driver safety is a public health issue. OTs are trained in driver rehabilitation. They understand demands of driving and use their skills to evaluate individual's ability to operate a vehicle safely, and provide rehabilitation to strengthen their driving skills.
- Many contract therapists travel for limited duration and extended periods of time to fill the needs of the community for OT. The therapists maintain licenses in multiple states. There is an increase in temporary assignments in rural and more isolated areas.

ORBITS Budget Narrative

- Employment growth is projected according to America's Labor Market Information System. The Oregon Healthcare Workforce Needs Assessment shows a 17% increase making OT much faster than the average for all occupations.

Program Descriptions:

The Occupational Therapy Licensing Board issues licenses to qualified applicants as they apply and renew licenses in even numbered years. The mandatory pain management CE course and cultural competency CE is required at every renewal. Workforce data was collected for the Oregon Health Authority every renewal since 2012. The Board regulates occupational therapy practice by monitoring its licensees. It receives complaints and reviews them to determine whether complaints fall within the Board's authority, and if so, obtains information to establish whether a violation has occurred. The Board reviews investigative reports to obtain information needed to make a fair and objective decision. If a violation is found to have occurred, the Board takes appropriate disciplinary action. The Board consults as needed with the Attorney General's office for legal advice on disciplinary and related administrative matters.

The Board's budget is supported solely by Other Funds from license applications and renewal fees. A small amount of revenue is made up of late fees and licensee lists.

The 23-25 Agency Projected Revenues All Other Funds: FEE INCREASE is anticipated this biennium due to increase in rent (almost double), accounting costs (3 times), lower revenues and higher personal services due unexpected pay equity and early COLA.

Projected Revenues \$ 617,995 (plus \$130,205 fee increase) Ending balance from 21-23 projected at \$335,000.
Expenditure Limitation: \$ 684,315

In 2021 the board received legislative approval decrease the AS2 position from .75 to .65 FTE to help the budget. However the board continued to keep the AS2 strictly at .5 FTE. Due to revenue shortfall due to loss of 24% at renewals, higher rent, accounting, overall inflationary costs, and increased personal services, the board requests that FTE for the AS2 reduce to .5 FTE.

One full time position, @ 1.00 FTE for the Executive Director
One part-time position, @ .50 FTE for the Administrative Specialist 2

Projected workload comparing 14 years ago for the Board follows: In 2007-09 In 2019-21 In 2021-23

KEY PERFORMANCE MEASURE CRITERIA: The Board has links to the Oregon Benchmarks on its web site: www.oregon.gov/ctlb

The Occupational Therapy Licensing Board had four **Key Performance Measures:**

Customer Satisfaction: Percentage of customers rating satisfaction with agency's customer service as good or excellent in overall customer service and in timeliness, accuracy, helpfulness, expertise and availability of information, is in the 97%-100% range.

Board Best Practices: The Board met all criteria for best practices again in 2021 and 2022. Board members have reviewed the criteria for best practices every year since 2006 and complete evaluations of Board standards.

Timely Issuing of licenses: This measure gives the percentage of licensing application processed within a target of five days after receipt of all required documentation. The Board issues licenses within 3 days of receipt of all required documentation 97 percent of the time.

Timely Complaints reviewed by Board: The measure shows what percentages of complaints are brought before the board for consideration within 120 days of receipt of complaint. Since the Board has fewer complaints relative to other health boards, about 18-24 complaints a year, the Board investigates and resolves complaints that come to the Board's attention quickly.

Prior to renewals in 2022 the Board completed a LEDS (Law Enforcement Data System) check on ALL licensed practitioners and will continue to do so prior to every renewal period. As of Jan. 1, 2018 the Board requires Fingerprint background checks for all applicants for licensure, limited permits and reinstatements. There is also an increase in number of complaints including applications that have to be considered by the Board due to arrests and or discipline taken by another state. The Board takes appropriate disciplinary action if applicants and licensees are found to be in violation of state regulations. Some complaints do not violate statutes or rules (i.e. they are personnel matters, resolved by the employer) so are beyond the scope of the Board's jurisdiction. The Board does not find a violation on some complaints, and when there is no patient harm, often uses education to improve how licensee provided services. Other disciplinary actions are reprimands, probationary license with specific conditions, suspensions and revocation of licenses. The board strives to resolve cases by Consent Order. One case went to hearing although the licensee did not show.

ORBITS Budget Narrative

MAJOR TECHNOLOGY PROJECTS \$500,000: Not Applicable to Agency

INFORMATION TECHNOLOGY PROJECTS OVER \$75,000: The Board faced a monumental change for the 2019-21 biennium. The Board replaced its entire IT infrastructure using various solutions. In prior years, the Board's total IT infrastructure has been handled by a single outside contractor. The scope of work included: IT management of firewall security, network administration, email, files and folders, desktop maintenance, and the Board licensure database development, management and maintenance. The board has a new licensing system now in place with its vendor, Thentia. The OT Board's share of this contract has been approximately \$10,000 a biennium.

LIFECYCLE REPLACEMENT PLAN: The Board continually reviews its technological needs. The Board continues joint business initiative designed to pool the technology funds of seven small agencies to create a compatible network/hardware system and to contract for database and network administrator to provide basic technical support, including recommendations for selection of electronic equipment and programs. The initiative includes funding to replace and upgrade equipment to maintain appropriate data management. The Board successfully continues online licensing with credit cards and now applications are online and applicants can pay by check or credit card.

REDUCTION OPTIONS: Form 107BF17 House Bill 3182 Reduction Option Form follow in **Section E Special Reports**.

SUSTAINABILITY: Not required for Agency; however online renewals are successful and streamline the process without paper.

LEGISLATIVE PROPOSALS: There are no legislative proposal.

REGULATORY STREAMLINING: The Board continues delivering excellent customer service and works toward streamlining agency operations. During the 2021-2023 biennium, the Occupational Therapy Licensing Board will continue to implement changes to improve how daily business operations are handled with reduced costs and renewal fees. The Board collects new data with the online renewals late year. The majority renewing their licenses paid by credit cards, reducing paperwork and procedures needed for processing checks. The Board works hard to update contact and e-mail records. Newsletters and other information are sent by e-mail and posted on the web site. Customer satisfaction is very high. Using the Web site and e-mail, information is available easily and quickly. Requests for written verification is through the License portal. The board now charges \$25. Verifications are usually sent within two days, and we will send by mail or by email, if requested. To save costs in hiring more help the Director has interagency contract with the Board of Speech Language, Pathology and Audiology, to utilize their investigator, as needed.

ORBITS Budget Narrative

2023-2025 Regulatory Streamlining Plan

The Board continues to review regulations and procedures to identify opportunities for streamlining and reducing regulatory burdens without compromising standards. The Board keeps the Regulatory Streamlining Office informed of improvements, especially the online paperless renewal and application process. The Board continues to monitor current practices within the profession in an effort to identify and reduce regulatory burdens. Methods for identifying opportunities include but are not limited to:

- Regular review of licensing and renewal processes with focus on paperless procedures
- Encourage stakeholder input during legislative and administrative rulemaking processes, and board strategic planning
- Consider national trends and standards in licensing occupational therapists especially on continuing education
- Utilize customer survey responses to identify strengths and weaknesses

The Board continues collaborative and streamlining initiatives with the other Portland 833 Health Related Licensing Boards in Suite 407 using flexible solutions for its regulatory programs. These health care licensing boards share the cost and work on their IT database with the multiple functions needed to successful support the agency's programs. The Board also works with all health licensing Boards and the Governor's office to share information and processes, such as doing background checks. All formal complaints are posted on the Licensee Look Up at <https://hrlb.oregon.gov/otlb/licenseelookup> for public access. The accounting, audit and programming functions are coordinated with credit card payments. A copier with scanner allows for continued savings by sending out documents online. The web site is continually updated to provide quick and efficient access to information.

Information technology purchasing and network administration is shared, offering additional stability and purchasing strength. The Board has a short, anonymous, Customer Service Survey which automatically collates responses. The Board reviews all comment received. The seven boards developed an effective Business Continuity, Risk Management and Security Plan should a Director or the office have emergency needs with oversight to assist those affected. The Affirmative Action Plan was submitted and posted on the web site.

REVENUES

Source of Funds

The Occupational Therapy Licensing Board is funded solely by Other Funds received from application, renewal, reinstatement of lapsed license, limited permit fees, civil penalties and the sale of licensee lists as allowed by law and interest. All fees received are deposited in the State Treasury and are dedicated to the administration costs of the Board and the enforcement of OAR Chapter 339 and ORS Chapter 675.210 to 675.340. Renewal fees comprise 75% of all revenue collected by the Board. The Board has 1 full time director and .5 time Administrative Specialist (legislatively approved at .65).

The mandatory \$4 per license renewal fee for workforce data collection is paid through a “revenue transfer” to the OHA. The Board absorbs these costs. The Board now conducts FBI Fingerprint Background checks on all applicants for licensure, limited permits and reinstatement of lapsed license. The \$50 fee is passed through to the Oregon State Police. The Board has conducted LEDS (Law Enforcement Data System) checks every biennium since 2012. In 2015, the Board increased its administrative staff from .25 to .5 FTE at the cost of \$60K to personal services but was able to absorb these costs as well without a fee increase. In the 19-21 budget, the board increased administrative staff from .5 to .75 in anticipation of higher workload due to increased number of applicant and renewals. The board has been very careful about increasing FTE and did call on the AS2 to work more hours during peak times but never did increased her hours. Now with the new more efficient IT system in place and a tighter budget due to lower than anticipated revenues the board is asking to keep the FTE at .5.

Fees

Fees charged by the Board are set in a manner that is fair and reasonable to sufficiently fund agency operations. Fees are designed so that revenues collected will not exceed the cost of administering the Board's programs and are established with consultation with licensees, the OT Association of Oregon (OTAO) and are subject to prior approval of the Department of Administrative Services and subsequently authorized by the Legislative Assembly. In the 2023-2025 Governor's Recommended Budget the board is requesting a fee increase due to lower than anticipated renewal revenue, higher rent and accounting costs and higher personal services.

OREGON
OCCUPATIONAL THERAPY LICENSING BOARD

Governor's Recommended Budget

2023-2025

SPECIAL REPORTS

AFFIRMATIVE ACTION DIVERSITY POLICY STATEMENT: The Occupational Therapy Licensing Board (OTLB) is composed of five members, three members from the occupational therapy profession and two public members. The Governor appoints members who are confirmed by the Senate. In the last biennium a new OT member was appointed to the Board. There are two women and two men on the board. The age difference spans 30 years. Two members are from underserved communities, one member is handicapped. The Board tracks licensee data through the Oregon health authority workforce data.

Policy: The appointment of the Executive Director will be free of discrimination, including severe disabilities as defined in ORS 240.391. Board members will provide a work environment free of harassment based on religion, age, handicapped status, gender or any other factor prohibited by law or policy.

An employee who believes s/he has been harassed should contact the Board Chairperson or other Board member(s). If the issue is not resolved to the employee's satisfaction, the Bureau of Labor and Industries Civil Rights Division is contacted. An individual who has interviewed for employment who believes s/he was denied employment based on discriminatory factors may review the decision with the Board. If the complaint is not resolved to the satisfaction of the individual, the Affirmative Action Office is notified.

Dissemination: The Diversity and Inclusion/Affirmative Action Policy Statement and Report for 2021-23 was submitted and approved and is available on the Boards website. The policy statement will accompany all employment applications distributed to potential new employees.

Organizational Structure and Responsibilities for Implementation: The Board is restricted to 1.65 legislatively approved positions, with a request to reduce the AS2 FTE by .15 in this session due to a revenue shortfall. When the Board needs to hire, it will implement the plan by exercising impartial and unbiased evaluations of future applications and interviews for employment.

Senate Bill 786 Compliance: Promoting diversity on the Board and within the profession
