

# Veterinary Well-Being CE and Conference Inventory

Initial scan of scheduled 2026 offerings, focused on conferences, tracks, and CE programs with well-being, mental health, resilience, leadership, culture, or sustainability relevance.

**Scope note:** This is a practical inventory, not a definitive catalog. Some conferences have not yet posted full agendas, so those are marked as *watch-list items* rather than confirmed well-being tracks. *Compiled by Charles Hurty, DVM (GRIT + LOVE Designs), in accordance with OVMEB*

## Inventory

Event / Organizer	Date (2026)	Location / Format	Well-being relevance	Status	Source URL
<b>Fetch dvm360 Veterinary Conference Series</b>	Nashville: May 28-30; Kansas City: Aug. 28-30; National Harbor: Sept. 18-19; Long Beach: Dec. 4-5, 2026	Multiple U.S. locations, in person; also virtual Encore events	Moderate fit. The series is positioned as practical CE for veterinary teams, with conference pages and agendas posted. Third-party conference summaries describe Fetch as including practice management, wellness, and technician tracks, but the official agenda pages should be checked by city for current session-level well-being content.	Scheduled; agenda review needed by city, Upcoming	<a href="https://www.dvm360events.com/">Clickable link</a> https://www.dvm360events.com/
<b>AVMA Convention 2026</b>	July 10-14, 2026	Anaheim, CA, in person; some live stream/on-demand sessions	Strong fit. Public schedule includes well-being/professional development content such as The Perfectionism Problem, The Psychology of Mistakes, difficult disclosure/accountability training, and communication/legal risk sessions. Good candidate for formal well-being, perfectionism, resilience, and communication inventory.	Confirmed well-being/professional development sessions, Upcoming (summer)	<a href="https://s1.goeshow.com/avma/annual/2026/AVMA2026.cfm">Clickable link</a> https://s1.goeshow.com/avma/annual/2026/AVMA2026.cfm
<b>VETgirl U 2026</b>	June 19-21, 2026	Salt Lake City, UT, in person	Moderate fit. Large CE event with clinical and practical programming. I did not confirm a dedicated well-being track in this scan, but it is a useful watch-list event because VETgirl programming often includes professional practice, team, communication, and career development themes.	Scheduled; watch list	<a href="https://web.cvent.com/event/7b331883-4a89-44c9-92b5-01ec8d553514/summary">Clickable link</a> https://web.cvent.com/event/7b331883-4a89-44c9-92b5-01ec8d553514/summary
<b>AAHA CON 2026</b>	September 17-19, 2026	Portland, OR, in person	Moderate to strong potential fit. AAHA describes the event as focused on veterinary practice, team expertise, professional growth, education, and community. The full 2026 agenda was marked as coming soon at the time of review, so specific well-being sessions need to be rechecked when the agenda is posted.	Scheduled; agenda coming soon, Typically has well-being programs	<a href="https://www.aaha.org/events/aaha-con-2026/">Clickable link</a> https://www.aaha.org/events/aaha-con-2026/
<b>IAVSW 9th International Veterinary Social Work Summit</b>	October 14-16, 2026	Toronto, Canada, in person	Strong fit. Theme: Interwoven Futures: Designing Sustainable Systems for Human and Animal Well-being. Focus includes the human-animal bond, mental health, animal welfare, veterinary medicine, community advocacy, systemic change, sustainable systems, integrated approaches, workshops, panels, and wellness activities.	Confirmed well-being/social work summit, very interesting	<a href="https://www.iavsw.org/summit">Clickable link</a> https://www.iavsw.org/summit
<b>VHMA Annual Meeting &amp; Conference 2026</b>	September 10-12, 2026	Reno, NV, in person	Moderate fit. Practice management conference. Public program material includes at least one explicit team well-being reference, focused on how AI tools may elevate care quality and team well-being. Good candidate for leadership, hospital management, operational sustainability, and workplace culture inventory.	Scheduled; management/team well-being relevance	<a href="https://www.vhma.org/education/conferences/program-amc2026">Clickable link</a> https://www.vhma.org/education/conferences/program-amc2026
<b>WVC Nashville 2026 / WVC-Viticus Group</b>	August 15-18, 2026	Nashville, TN, in person	Moderate potential fit. WVC is a large CE platform with hundreds of CE hours and hands-on learning. Viticus also maintains health and wellness programming at WVC Vegas, such as yoga and restorative activities. For Nashville, check the program for well-being, leadership, communication, and professional development sessions as the event approaches.	Scheduled; watch list for track/session detail	<a href="https://www.viticusgroup.org/wvc-conference">Clickable link</a> https://www.viticusgroup.org/wvc-conference
<b>IntroVet 2026 Online CE Calendar</b>	Multiple 2026 dates	Online	Strong CE-offering fit, though not primarily a conference. IntroVet specifically notes that its 2026 calendar includes veterinary well-being. A prior 2026 live webinar, Not Today, Burnout, offered 3 hours of RACE-approved CE and covered nervous system regulation, resilience, advocacy, and stress response tools.	Scheduled CE calendar; check upcoming well-being webinars	<a href="https://www.introvetce.com/online-veterinary-ce">Clickable link</a> https://www.introvetce.com/online-veterinary-ce
<b>Pacific Northwest Veterinary Conference 2026</b>	September 25-27, 2026	Tacoma, WA, in person	Regional watch-list item. WSVMA lists the conference as a three-day event with 18 CE credit hours for veterinarians and technicians. I did not confirm well-being sessions in the initial scan, but it is relevant to	Scheduled; watch list	<a href="https://my.wsvma.org/events/2026pnwvc">Clickable link</a> https://my.wsvma.org/events/2026pnwvc

			monitor given regional access and likely leadership/team programming.		
<b>PacVet 2026</b>	June 18-21, 2026	Sacramento, CA, in person	Regional watch-list item. PacVet is a broad West Coast CE conference for all members of the veterinary team. Public material confirms extensive CE and tracks including practice management and ownership, but I did not confirm a dedicated well-being track in the initial scan.	Scheduled; watch list	<a href="https://pacvet.net/">Clickable link</a> https://pacvet.net/
<b>Oregon Veterinary Conference 2026 recordings</b>	Recorded access through December 31, 2026	Oregon State University / online recordings	Local retrospective/watch-list item. The live 2026 OVC has passed, but OVMA notes recorded sessions remain available to attendees through EventMobi until 12/31/26. Worth checking the recorded catalog for well-being, leadership, communication, and mental health literacy content.
