Oregon Watershed Enhancement Board

Chapter 695

Division 40
~~OUTCOME-BASED~~ WATERSHED COUNCIL AND SOIL AND WATER CONSERVATION DISTRICT PROJECT DEVELOPMENT ~~OPERATING CAPACITY~~ GRANTS

695-040-0010
Purpose

As funds are available, t~~T~~he Board shall provide Watershed Council and Soil and Water Conservation District Project Development Grants~~, as funds are available,~~ to help support the operations of Watershed Councils and Soil and Water Conservation Districts that engage people and communities in their watersheds to participate in the collaborative, voluntary restoration and protection of native fish or wildlife habitat, and natural watershed processes and functions to improve water quality or stream flows. This Division supplements the OWEB Grant Program rules under OAR 695-005 and provides specific requirements for the Watershed Council and Soil and Water Conservation District Project Development Grants Program. In the event of any conflict between these requirements, and the requirements identified in OAR 695-005, the Watershed Council and Soil and Water Conservation District Project Development Grants Program in this Division take precedence.

~~(1) To guide the Oregon Watershed Enhancement Board in accepting, reviewing for eligibility and merit, and considering for funding applications for Council and District Capacity Grants pursuant to ORS 541.918, 541.926(1)(e), 541.923, and 541.910.~~

~~(2) To provide a grant program to help support the operations of watershed councils and soil and water conservation districts that engage people and communities in their watersheds to participate in the collaborative, voluntary restoration and protection of native fish or wildlife habitat, and natural watershed functions to improve water quality or stream flows.~~

~~(3) To encourage the development of high-capacity local infrastructure and continuous improvement.~~

Eligibility Criteria ~~for~~

Watershed Councils

The purpose of the eligibility criteria is to define which W~~w~~atershed C~~c~~ouncils are eligible to apply for ~~Council Capacity~~Watershed Council Project Development Grants. These eligibility criteria do not limit or control the existence or creation of W~~w~~atershed C~~c~~ouncils. A W~~w~~atershed C~~c~~ouncil, or group of W~~w~~atershed C~~c~~ouncils, is eligible to apply for a Watershed Council Project Development ~~Council Capacity~~ Grant only if OWEB determines it meets the eligibility criteria.

(1) Designation as a W~~w~~atershed C~~c~~ouncil by a local government:

(a) For watershed councils previously awarded a Watershed Council Support Grant, the council shall have been designated as a W~~w~~atershed C~~c~~ouncil by a local government.

(b) For new or reorganized W~~w~~atershed C~~c~~ouncils, the Watershed C~~c~~ouncil shall be designated as a W~~w~~atershed C~~c~~ouncil by a county commission, county board, or county court.

(2) Geographic Area:

(a) A geographic area served by a Watershed C~~c~~ouncil or group of Watershed C~~c~~ouncils can change. However, to be eligible, OWEB shall determine that a Watershed C~~c~~ouncil or group of Watershed C~~c~~ouncils serves an area:

(A) In which a Watershed C~~c~~ouncil or group of Watershed C~~c~~ouncils previously received a Watershed Council Support Grant or Council Capacity Grant; and

(B) Which is the same or larger than the geographic area served by a Watershed C~~c~~ouncil or group of Watershed C~~c~~ouncils as of July 1, 2013.

(C) OWEB may determine that a Watershed Council is eligible even if the geographic area has not previously received a Watershed Council Support Grant or Council Capacity Grant, provided that:

(i) The area demonstrates unmet watershed restoration needs;

(ii) The Watershed Council has demonstrated the ability to develop and implement restoration projects; and

(iii) All other eligibility criteria in this section have been met.

(b) In addition, for the purposes of this eligibility criteria:

(A) The geographic area shall include a minimum population of 500 individuals within its designated boundary or boundaries; and

(B) No more than one applicant is eligible for the same geographic area.

Commented [WO5]: for next meeting, have map of watershed council geographies and areas not covered by WCs.

Commented [EH6]: Removed, "(iv) No more than three new Watershed Councils may be approved statewide per biennium under this provision".

Commented [EH7]: Discuss with RAC if this provision is necessary, or if it can be removed.

(3) The Watershed Ccouncil's governing body has adopted a Council Action Plan with components as described in ORS 541.929.~~: Minimum criteria for Council Action Plans shall be determined in accordance with guidance adopted and periodically reviewed by the Board and made available to the public on the OWEB website and in Board meeting materials.~~

(4) The Watershed Ccouncil shall demonstrate at least one of the following:

(a) It is registered with the State of Oregon;

(b) It has a written fiscal sponsorship agreement with a 501(c)(3) organization; or

(c) It has a written fiscal sponsorship agreement with a Soil and Water Conservation District, city, county, or tribal government.

(5) Organizational Structure and Business Operations: If OWEB determines a W~~w~~atershed Ccouncil or group of Watershed Ccouncils meets the relevant eligibility criteria in sections 1 through 4 above, OWEB shall determine whether the governing documents adopted by the Watershed Ccouncil or group of Watershed Ccouncils include the elements described in this section.

(a) The Watershed Ccouncil's governing body has adopted bylaws or a charter that includes the following:

(A) A declaration that the Watershed Ccouncil's mission aligns with OWEB's purpose as described in the Oregon Constitution and statutes. At a minimum, the bylaws or charter shall indicate that a primary purpose of the Watershed Cccouncil is to work collaboratively with communities and landowners to develop and carry out voluntary watershed protection, restoration, and enhancement~~, and community engagement activities~~;

(B) How the governing body is selected;

(C) Titles of officers, e.g., Chair, President, Secretary, Treasurer;

(D) How officers are selected;

(E) Who is eligible for the governing body;

(F) Who is eligible to be an officer;

(G) Length of service on governing body;

(H) Length of service for officers;

(I) Powers of governing body;

(J) Powers of officers;

(K) Minimum number or frequency of governing body meetings;

(L) Decision making process of governing body;

(M) A statement that the Watershed Cc̶ouncil intends its governing body to include a diverse range of geographic areas and community interests in the watershed in order to engage a balance of interested and affected persons within the watershed as required by ORS 541.910(2); and

(N) A process for amending the bylaws or charter.

(O) If the Watershed Cc̶ouncil is a membership organization, in addition to A-N above the bylaws or charter shall include the following:

(i) Who is eligible for membership;

(ii) When membership meetings will occur;

(iii) The decision making role of the membership; and

(iv) A process to remove members or terminate the voting rights of members.

(b) The Watershed Cc̶ouncil's governing body has adopted policies and/or procedures that include the following:

(A) A list of the geographic areas and community interests the Watershed Cc̶ouncil intends to include on its governing body in order to engage a balance of interested and affected persons within the watershed pursuant to ORS 541.910(2);

(B) A policy that the Watershed Cc̶ouncil operates as an open and inclusive organization, including inviting the public to Watershed Cc̶ouncil meetings, and, upon request, providing the public with records of its meetings and decisions;

(C) A policy that the Watershed Cc̶ouncil, or its fiscal sponsor, uses Generally Accepted Accounting Principles; and

(D) A policy that the Watershed Cc̶ouncil does not rely on litigation to compel regulatory enforcement as a means to implement its mission.

(6) If a Ww̶atershed Cc̶ouncil disagrees with the determination that it is not eligible to submit an application and wishes to appeal, the Watershed Cc̶ouncil shall appeal to OWEB's Director ~~in accordance with the appeal process contained in the guidance adopted by the Board~~. The Director shall make the final decision on all eligibility appeals.

Commented [EH8]: Moved from deleted, 'Eligibility Determination' section below.

Soil and Water Conservation Districts

The purpose of the eligibility criteria is to define which districts are eligible to apply for Soil and Water Conservation District Project Development Grants. These eligibility criteria do not limit or control the existence or creation of Soil and Water Conservation Districts. A Soil and Water Conservation District, or consolidated~~group of~~ Soil and Water Conservation Districts, is eligible to apply for a Soil and Water Conservation District Project Development Grant upon certification at the time of application from ODA that the agency has determined the Soil and Water Conservation District meets the following statutory requirements in the previous two fiscal years:

(1) Submission, pursuant to ORS 568.554, of a~~n~~ Soil and Water Conservation District Board approved~~n~~ A~~a~~annual work plan for each fiscal year.

(2) Submission, pursuant with ORS 568.580 and ORS 568.950, of the Soil and Water Conservation District Bboard rResolution setting an annual meeting date, and a copy of the newspapernewspaper public notice reflecting two publishing dates with an interval of at least seven days between the two publication dates and, both published no later than 15 days prior to the Aannual mMeeting, consistent with ORS 568.580 and ORS 568.950.

(3) Submission, pursuant to ORS 568.580, of the Soil and Water Conservation District annual report to be presented at the annual meeting. The annual report must reflect the work accomplished from the most recent past year's annual work plan.

——Submission, of a current long-range plan as described in ORS 568.554.

(4) Submission, pursuant to ORS 568.610 and ORS 297.435, of the Soil and Water Conservation District's copy of the Financial Report provided to the Secretary of State.;

If a Soil and Water Conservation Ddistrict disagrees with the determination that it is not eligible to submit an application and wishes to appeal, the Soil and Water Conservation Ddistrict shall appeal to OWEB's Director in accordance with the appeal process contained in the guidance adopted by the Board. The Director shall make the final decision on all eligibility appeals.

Merit Evaluation

(1) Applications shall be evaluated in accordance with the guidance adopted and periodically reviewed by the Board and made available to the public on the OWEB website and in Board meeting materials.

(2) Through its merit evaluation, OWEB seeks to:

(a) Ensure strategic and accountable investment of public funds;

(b) Encourage continuous improvement in watershed councils' organizational management, operating structure, and functions, and the planning and implementation of on-the-ground watershed protection, restoration, enhancement, and community engagement activities; and

(c) Ensure watershed councils are working toward strengthening their role in watersheds through activities focusing on council resilience, leadership, collaboration, and representing a balance of interested and affected persons within the watershed as required by ORS 541.910(2).

(3) Merit evaluation shall include reviews for:

(a) Prior performance;

(b) Progress in accomplishing council work plans that is demonstrated over time; and

(c) Demonstration of progress toward the objectives described in section 2 above, as set forth in guidance adopted by the Board.

Board Action on Eligible Applications

(1) The Board may fund grants to watershed councils or a group of councils.

(2) The Board shall take action on eligible applications for Council Capacity Grants in accordance with guidance adopted by the Board and made available to the public on the OWEB website and in Board meeting materials.

Commented [HO9]: Consider deleting this section as it's duplicative of Division 5 'Application Requirements'

(3) Individual Council Capacity Grant funding levels are within the Board's discretion based on consideration of:

(a) A watershed council's merit evaluation;

(b) The Board's determination, if any, under 695-040-0120(3)(d); and

(c) Available funding.

(d) Notwithstanding subsections (a), (b) and (c), the Board may award an individual Council Capacity Grant for a larger geographic area when the Board determines that such action will likely increase collaboration and resource sharing, inter-watershed coordination, and will likely foster organizational resilience and watershed restoration outcomes at a larger landscape scale. The Board's determination shall be made in accordance with guidance adopted and periodically reviewed by the Board and made available to the public on the OWEB website and in Board meeting materials. Such an award by the Board may include a reduction in the number of individual Council Capacity Grants within the larger geographic area and a reduction in funding levels for individual watershed councils within the larger geographic area.

Use of Funds

~~A Council Capacity Grant provides funding for operations of a watershed council or group of councils.~~Watershed Council and Soil and Water Conservation District Project Development Grants help support the operations of Watershed Councils and Soil and Water Conservation Districts that engage people and communities in their watersheds to participate in the collaborative, voluntary restoration and protection of native fish or wildlife habitat, and natural watershed processes and functions to improve water quality or stream flows. Grant funds may be used for the following activities:

(1) Community and landowner engagement to communicate about the need for, feasibility, and benefits of a specific eligible restoration or acquisition project or program that leads to development of eligible projects within an identified geography;
(2) Resource assessment and planning to support the development of information about existing water quality or habitat conditions and processes; or
(3) Carrying out projects to protect or restore fish & wildlife habitat or to protect or restore natural watershed functions to improve water quality or stream flows.

Commented [HE*O10]: Audit services will be considered a direct cost. This topic, and other similar costs that councils and districts have been charging to existing capacity grants, will be described in OWEB's 'Go Big' budget guidance document.
