

## PREPARING TO LAUNCH A SECTOR PARTNERSHIP

This worksheet is for core team members to use as they identify the key actions, roles and responsibilities for creating new sector partnerships.

Target Sector: \_\_\_\_\_

- 1** Who are or could be employer chairs, individuals who could help convene other sector employers for a launch meeting? Remember to focus on 'civic entrepreneurs'; a certain kind of leader who not only has decision-making authority at his or her business but who also understands that the long-term success of his/her company is linked to the broader prosperity of the community.
  
- 2** Who are or could be employer participants from the sector that would be invited to a launch meeting? Which sub-sectors, and which employers within those sub-sectors, should be invited?
  
- 3** What else do we need to know about this sector and its leading employers in order to be effective in launching a new sector partnership?
  
- 4** What commitments will the core team make to launch a sector partnership? Who is or will be part of a regional convening team, responsible for providing administrative support and communications for the partnership?
