

**BEFORE THE DIRECTOR
OF THE WATER RESOURCES DEPARTMENT
OF THE STATE OF OREGON**

KLAMATH BASIN GENERAL STREAM ADJUDICATION

In the Matter of the Claim of)	PARTIAL ORDER OF
NANCY MARTIN, CYNTHIA NORTON,)	DETERMINATION
AND WESLEY NORTON)	
_____)	Water Right Claim 214

The GENERAL FINDINGS OF FACT of the FINAL ORDER OF DETERMINATION is incorporated as if set forth fully herein.

A. FINDINGS OF FACT

1. Claim 214 (Claimants: NANCY MARTIN, CYNTHIA NORTON, AND WESLEY NORTON) and its associated contests (3202, 3419) were referred to the Office of Administrative Hearings for a contested case hearing which was designated as Case 17¹.
2. The Office of Administrative Hearings conducted contested case proceedings and ultimately issued a PROPOSED ORDER (Proposed Order) for Claims 213 and 214 on October 16, 2002.
3. Exceptions were filed to the Proposed Order within the exception filing deadline by Claimants Wesley Norton, Cynthia Norton, Richard Martin², and Nancy Martin. These exceptions pertained solely to Claim 214.
4. On February 24, 2012, the Adjudicator issued an AMENDED PROPOSED ORDER (Amended Proposed Order) (1) to modify the season of use for Claims 213 and 214 because the seasons of use in the 2002 Proposed Order exceeded the claimed seasons of use, and (2) to address fee sufficiency issues in Claim 214. Except as modified, the Amended Proposed Order fully incorporated the 2002 Proposed Order.
5. Exceptions were filed to the Amended Proposed Order within the exception filing deadline by the Claimants Wesley Norton, Cynthia Norton, and Nancy Martin. These exceptions pertained solely to Claim 214.

¹ Claim 213 (Case 17) and Claim 214 (Case 18) were consolidated by Order and heard as Case 17 (*See* ORDER GRANTING MOTION TO CONSOLIDATE, January 17, 2002.)

² Nancy Martin succeeded to the interests of Richard Martin, now deceased.

6. The exceptions filed to the Amended Proposed Order have been reviewed and considered in conjunction with the entire record for Claim 214, and are found to be unpersuasive. Accordingly, changes were not made to the Amended Proposed Order to accommodate any exceptions.
7. The evidentiary record for Claims 213 and 214 is identical. For this reason, and because of the similar history of development for the lands underlying each of these claims, this Partial Order of Determination does not modify the Proposed Order for the sole purpose of separating out the portions of the Proposed Order that pertain only to Claim 214.
8. The Amended Proposed Order is adopted and incorporated in its entirety as if set forth fully herein.

B. DETERMINATION

1. The Amended Proposed Order is adopted and incorporated in its entirety as if set forth fully herein.
2. The elements of a pre-1909 claim are established. The GENERAL CONCLUSIONS OF LAW CONCERNING PRE-1909 CLAIMS is incorporated as if set forth fully herein.
3. The GENERAL CONCLUSIONS OF LAW CONCERNING AMENDMENT OF CLAIMS is incorporated as if set forth fully herein.
4. Based on the file and record herein, IT IS ORDERED that Claim 214 is approved as set forth in the following Water Right Claim Description.
