

Harney Critical Groundwater Area Groundwater Right List

(Exported from OWRD WRIS on 31 October 2023)

Attached is a list of 658 groundwater related water rights separated out by subarea within the proposed critical groundwater area boundary. The list is an OWRD water rights database query export from October 31, 2023 that may include duplicates. Also included is the list of Codes for the Water Rights Information System (WRIS).

Table 1. Summary of the Water Rights Listed in Attachments Table 2-16

Water Rights Listed within the proposed Critical Groundwater Area				
Subarea Name	Water Rights List Total¹	POU Acres Total²	POD Total³	Rate Total⁴ (CFS)
Crane	43	7,020	113	83
Crane - Buchanan	97	13,745	173	160

Table 1 Notes

1. The water rights list includes duplicates
2. The POU acres total include some duplicates (the same acres included in two or more water rights)
3. The POD total includes some duplicates (the same POD included in two or more water rights)
4. The rate total includes some duplicates (the same rate included in two or more water rights)
