

Affidavit of Voluntary Cancellation or Diminution of a Water Right Certificate

VOLUNTARY CANCELLATION is how the legal holder(s) of a water right certificate may cancel an abandoned water right or an abandoned portion of a water right. Abandonment means water use has or will have ceased under the cancellation. A cancellation can apply to an entire certificate or to a specific place of use and acreage. The rate of water must be proportionately cancelled to match the portion of the right being cancelled. If a certificate is partially cancelled, a remaining water right certificate will be issued describing the uncanceled portion.

[see also Oregon Revised Statute (ORS) 540.621 and Administrative Rule (OAR) 690-017-0100.]

VOLUNTARY DIMINUTION is how the legal holder(s) of a water right certificate may diminish an entire water right or a portion of it from a primary purpose to a supplemental purpose. The overall authorized rate of water on the certificate will remain the same, but the proportions between primary use and supplemental use will change. In the diminution process, the originating water right will be cancelled, and a new water right will be issued describing the diminution. [see also Oregon Administrative Rule (OAR) 690-330-0040.]
