BEFORE THE OREGON WATER RESOURCES DEPARTMENT

In the Matter of a Dispute
Pursuant to ORS 540.210

REQUEST FOR INFORMATION

Klamath Irrigation District
Disputant,

Bureau of Reclamation
Reservoir Owner.

TO: LAKESIDE FARMS INC
3703 COLLIER LN,
KLAMATH FALLS, OR 97603

Pursuant to ORS 540.210, the authority delegated by the Oregon Water Resources Commission under ORS 536.026, and applicable regulations, LAKESIDE FARMS INC is hereby required to deliver documents and responses, on or before 5:00 p.m. on June 1, 2020, to the Oregon Water Resources Department ("Department") offices at 725 Summer Street NE, Salem, Oregon 97301, or by electronic means to owrd.klamathdata@oregon.gov, regarding the following topics:

Water Right or Determined Claim

1) WRD records show that the following water rights or determined claims authorize the use of water for irrigation on lands which list you as the owner:

<table>
<thead>
<tr>
<th>Claim/Cert</th>
<th>Number</th>
<th>POD Name</th>
<th>TRSQQ</th>
<th>Priority Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>KA</td>
<td>1000</td>
<td>COVE POINT</td>
<td>38S/8E-1NESW</td>
<td>5/19/1905</td>
</tr>
</tbody>
</table>

2) If the above information is incorrect, please explain and provide any additional water right or determined claim number(s) for your lands sourced by Upper Klamath Lake, in part or in full, here:

Physical Structure

3) Where is the point of diversion(s) (POD) from Upper Klamath Lake (UKL) located? Please attach a photograph of each POD and give a GPS location if available.

Northwest Corner of Property
42° 18' 03" N 121° 49' 47" W
4) What is the physical nature of the POD? (e.g., ditch, canal, or pump system)  
   \textit{Gravity flow headgate}  

5) Is there a functioning headgate or valve at the POD?  
   \textit{YES}  

6) Is there a water use measuring device at the POD? (e.g., weir, submerged orifice, totalizing flow meter) If yes please describe.  
   \textit{NO}  

\textbf{Water Diversion}  

7) Do you physically divert water from UKL through your PODs?  
   \textit{YES}  

If yes:  
   \begin{itemize}  
   \item a) How do you measure the rate and duty of water you divert from UKL?  
       \textit{Flow per second has been measured by BOR and the releases are timed.}  
   \item b) How frequently do you check or monitor the measuring device and record the readings?  
       \textit{N/A}  
   \item c) Please provide the last two years of water use data recorded for the POD.  
       2020 - N/A  
       2019 - 90 acre feet  
   \item d) Do you communicate with the U.S. Bureau of Reclamation (BOR) that you are diverting water from UKL? If so, please describe how and when you communicate diversions to BOR.  
       Monthly reporting with electronic reporting data sheet  
   \end{itemize}  

If no:  
   \begin{itemize}  
   \item c) Who physically diverts water from UKL for your use? (e.g., BOR, irrigation district, etc.)  
       Owners, Lower Hidden Farmer  
   \item f) How are you informed about the rate and duty of water diverted for your use from UKL by others?  
       \textit{Direct communication}  
   \item g) Do you have a contract with the person or entity who diverts water from UKL for your use? If so, please attached a copy.  
       \textit{N/A}  
   \end{itemize}  

\textbf{2020 Water Use}  

8) Of the water diverted for the 2020 irrigation season, how much (in acre feet) is from live flow and how much is from stored water?  
   No water has been diverted in 2020.  
   Our water comes directly from Upper Klamath Lake  

9) How many acre feet of water in total have you diverted from UKL in 2020?  
   None
