

School and Educational Support Resources

Current as of October 2026, other resources may also be available in your area.

Statewide Resources

Get Schooled — Free online tools and information to help young people with high school, college, financial aid and career planning.

Reed College Tuition-Free Initiative — Financial-aid opportunity that may provide tuition-free attendance for qualifying Oregon and Washington families.

Baker Early College — Tuition-free public charter high school that allows Oregon students to earn their high school diploma while taking college courses through partner community colleges and universities across the state.

Summit Learning Charter – Early College Program — Allows students in grades 10–12 to earn an Oregon high school diploma while taking community college courses at no cost to families. Summit partners with nearly every Oregon community college.

Oregon Coast

Coos Bay Public Schools – ARK Project — Helps students and families experiencing housing instability or homelessness connect with educational and basic-needs support. Serves Coos Bay Public Schools students and families.

Alternative Youth Activities (AYA) — Helps youth in Coos and Curry counties pursue GEDs or diplomas in supportive learning environments and offers life-skills and career preparation.

Central Oregon

Youth Compass Program — Helps youth reconnect with education and work through diploma/GED pathways, paid projects and internships, employment support and other services. Serves Central Oregon.

Eastern Oregon

Eastern Promise early college – Aims to increase access to affordable early college credit for Eastern Oregon high school students toward certificate/degree completion. It creates opportunities for high school students to participate in college-level courses and Career and Technical Education (CTE) classes and earn college credits and/or certificates while still in high school.

Mt. Hood & Columbia River Gorge

[People for People](#) - Helps youth and young adults ages 16 and older with education completion, GED support, career exploration, job training, work readiness and paid work experience.

Portland Metro Region

[Portland Public Schools Teen Parent Services](#) — Helps PPS students who are pregnant or parenting continue their education while accessing additional support.

[To:gether Canby](#) — Community resource that connects Canby-area families with after-school tutoring, one-on-one reading mentors, financial education, and job and life-skills classes.

[Washington County Cooperative Library Services](#) - Provides free educational resources through Washington County libraries, including online homework help and tutoring, SAT, ACT, AP and GED test preparation, and job and career resource

Southern Oregon

[Project Youth Plus](#) — Helps young people pursue education, career and postsecondary goals.

[Talent Maker City](#) - Talent Maker City is a nonprofit organization that works to build a more connected, prosperous, and resilient community through hands-on creativity and innovative STEAM-based (Science, Technology, Engineering, Art, and Math) learning.

Willamette Valley

[Mid-Valley Literacy Center](#) — Provides education and literacy classes for individuals over 18 from Salem and surrounding communities. Classes include GED preparation in English and Spanish, computer skills, and Pre-CNA training.

[H.O.N.E.Y.](#) — Provides college exposure and tours, leadership development and other educational opportunities for youth. Based in Lane County.

[The 15th Night](#) — Helps students experiencing homelessness or instability connect with resources that can help them remain in school. Serves the Eugene/Springfield area in Lane County.
