## 3 Check in for your visit.

- Make sure your clothing is appropriate for the visit.** Check the inside of this brochure for information about clothing. If you wear something that our staff feel is inappropriate, we will not let you inside Riverbend.
- Check in at the main entrance with your photo ID.** All visitors age 12 and older must show a photo ID, issued by the government or a school.
- Do not bring anything that's not allowed inside Riverbend!** See the inside of this brochure for what is allowed. Everything else should be left at home or in your vehicle.
- You will have to clear a metal detector.** If you are not able to clear it, you will not be allowed to visit. Exceptions can be made for metal implants.
- If you are bringing items for your youth,** you will need to give them to staff to be searched.
- If our staff suspect that you are under the influence of drugs or alcohol,** they will not let you inside the facility.
- Once you are inside the security fence, please stay there for the entire visit.** If you must leave, you will have to clear the metal detector again before coming back in.

## 4 Go to the visiting area.

- Riverbend visits happen in our large conference room.** There are tables and chairs where you and your youth may sit together.
- Do not give anything to your youth except food or drinks.**
- It's OK to have brief physical contact with your youth,** but please limit it to a short embrace at the beginning and end of the visit. Please don't contact other youth or their families, other than a casual greeting.
- Please act respectfully during your visit!** This includes following staff directions, using appropriate language, and keeping your conversations at a normal volume. We work hard to create a positive, family-friendly environment for all youth and visitors.
- Staff may deny you entry into Riverbend or make you leave** for reasons related to facility safety or security. If you do not behave appropriately or you try to bring in something that is not allowed, we will ask you to leave and may not allow you to visit again.

### Make sure you are approved to visit your youth.

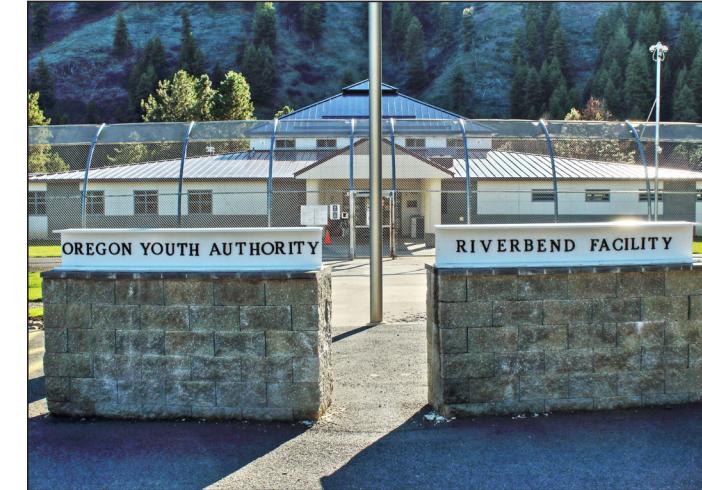

- You must be on your youth's OYA Approved Visitor List in order to visit.** If you're already on their list, you do not need to go through the visitor approval process again.
- If you're not on their Approved Visitor List, fill out and turn in a "Request to Visit" form.** You can get these forms from Riverbend staff or on our website: [bit.ly/oyariverbend](http://bit.ly/oyariverbend). We use the information you submit to do a criminal background check. Please turn in the form at least two weeks before you hope to visit, to give us time to process your request.
- If you have an arrest or conviction,** Riverbend managers will review your situation to decide whether to approve you for visiting. If you have an active warrant, we will not let you inside our facility.

### Schedule your visit.

- Riverbend's visiting hours are listed at the right.** If you are unable to visit during these hours, please contact Riverbend's camp counselor to make other arrangements.
