The Developmental Approach

**Hard on Data,
Intentional with
People**

We challenge the
information, not the
individual.

Healthy tension
strengthens our
thinking.

**If You Don't
Know Your Data,
You Don't Know
Your Business**

Understanding our
metrics is a shared
responsibility.

Knowing your data
builds credibility
and informs better
decisions.

**Transparency
Builds Trust**

Sharing successes
and struggles
strengthens our
collective
effectiveness.

**Can't Manage a
Secret**

No one has to carry
the issues alone.

Open
communication
enables
accountability and
shared solutions.

**Complexity is the
Enemy of
Execution**

Simplicity and
clarity accelerate
progress.

Keep it
understandable,
actionable, and
measurable.

**Collective
Accountability**

We rise together.
Data ownership
matters, but
improvement is a
team sport.

We turn data into direction — not just to report, but to refine, learn, and improve

Term	Definition
OYA Foster Home	A home in the community that is maintained and lived in by a foster parent/s who provides care, supervision, food, and lodging on a 24-hour basis for an adjudicated youth in that home certified by the OYA foster care unit.
OYA Proctor Home*	A home in the community that is attached to a contracted residential program that is maintained and lived in by a proctor parent/s who provides care, supervision, food, and lodging on a 24-hour basis for an adjudicated youth in that home and certified by the OYA foster care unit and the Private Child-caring Agency. OYA has 32 full time certified proctor homes and 11 certified proctor respite homes.
Probation	When a youth is on probation it means they have never been inside a correctional facility and are currently working with a court-ordered probation agreement. These are steps that, if followed, would keep a youth out of a facility.
Parole	When a youth is on parole, that means they have exited a correctional facility and entered the community. A parolee's community activity is not court-mandated. In other words, youth success on parole is evaluated by OYA.
