The Developmental Approach

**Hard on Data,
Intentional with
People**

We challenge the
information, not the
individual.

Healthy tension
strengthens our
thinking.

**If You Don't
Know Your Data,
You Don't Know
Your Business**

Understanding our
metrics is a shared
responsibility.

Knowing your data
builds credibility
and informs better
decisions.

**Transparency
Builds Trust**

Sharing successes
and struggles
strengthens our
collective
effectiveness.

**Can't Manage a
Secret**

No one has to carry
the issues alone.

Open
communication
enables
accountability and
shared solutions.

**Complexity is the
Enemy of
Execution**

Simplicity and
clarity accelerate
progress.

Keep it
understandable,
actionable, and
measurable.

**Collective
Accountability**

We rise together.
Data ownership
matters, but
improvement is a
team sport.

We turn data into direction — not just to report, but to refine, learn, and improve

Term	Definition
OYA Foster Home	A home in the community that is maintained and lived in by a foster parent/s who provides care, supervision, food, and lodging on a 24-hour basis for an adjudicated youth in that home certified by the OYA foster care unit.
OYA Proctor Home	A home in the community that is attached to a contracted residential program that is maintained and lived in by a proctor parent/s who provides care, supervision, food, and lodging on a 24-hour basis for an adjudicated youth in that home and certified by the OYA foster care unit and the Private Child-caring Agency.
Probation	When a youth is on probation it means they have never been inside a correctional facility and are currently working with a court-ordered probation agreement. These are steps that, if followed, would keep a youth out of a facility.
Parole	When a youth is on parole, that means they have exited a correctional facility and entered the community. A parolee's community activity is not court-mandated. In other words, youth success on parole is evaluated by OYA.
Success in Foster Care	When a youth leaves Foster Care to live at Home, independently, or with a relative home without returning to close custody, detention, residential treatment or running away from the foster home.

What we do

- OYA's Foster Care Unit provides safe, enriching placements for youth in family environments by recruiting, training and supporting foster parents and working collaboratively with agency staff and partners to meet youth needs.
- Foster Care values support, advocacy, professionalism, and collaboration.
