The Developmental Approach

Insights into Action

Our Data Culture Framework

Hard on Data, Intentional with People

We challenge the information, not the individual.

Healthy tension strengthens our thinking.

If You Don't Know Your Data, You Don't Know Your Business

Understanding our metrics is a shared responsibility.

Knowing your data builds credibility and informs better decisions.

Transparency Builds Trust

Sharing successes and struggles strengthens our collective effectiveness.

Can't Manage a Secret

No one has to carry the issues alone.

Open communication enables accountability and shared solutions.

Complexity is the Enemy of Execution

Simplicity and clarity accelerate progress.

Keep it understandable, actionable, and measurable.

Collective Accountability

We rise together. Data ownership matters, but improvement is a team sport.

We turn data into direction — not just to report, but to refine, learn, and improve

Every youth with an OYA or DOC commitment has an OYA Juvenile Parole and Probation Officer (JPPO) assigned as their primary case manager.

JPPOs work with youth from the beginning to end of OYA supervision. JPPO responsibilities include:

- **Parole and probation supervision**

- Service Referrals and BRS placement authorization
- Court appearances and communication
- Monthly in-person contacts with every youth on their caseload

- **Case management**

- Developmental Approach to Parole & Probation (DAPP)
- Participation in quarterly Multidisciplinary Team Meetings (MDTs)
- Assessments of youth progress (OYA Risk & Needs Assessment (RNA), Healthy Youth Development (HYD))
- Quarterly documentation of youth progress in the JJIS case plan

- **Transition services**

- Facilitating continuity of education, vocation/employment, housing, and treatment as youth move to less restrictive settings

Level of Supervision

As part of the youth's supervision team, JPPOs help identify when changes in level of supervision are needed. Key transitions include:

- **Escalation**
 - Youth initially placed on OYA Probation may be escalated to a YCF commitment due to a new offense or serious probation violations*
 - Requires a court-ordered YCF disposition
- **Parole**
 - Youth whose YCF commitments have not expired may be paroled at the discretion of OYA.
 - Youth may be paroled to an OYA Community Placement or to a private residence
- **Revocation**
 - Youth on parole may be revoked to a YCF due to a new offense or serious parole violations*
- **Termination**
 - Youth may be terminated from OYA supervision prior to their court-ordered expiration date
 - Court approval is required

**Serious parole/probation violations include behaviors that cannot be safely managed in a community setting (e.g., assaults, serious self-harm, serious substance use, repeated runaways).*
