The Developmental Approach

Hard on Data, Intentional with People

We challenge the
information, not the
individual.

Healthy tension
strengthens our
thinking.

If You Don't Know Your Data, You Don't Know Your Business

Understanding our
metrics is a shared
responsibility.

Knowing your data
builds credibility
and informs better
decisions.

Transparency Builds Trust

Sharing successes
and struggles
strengthens our
collective
effectiveness.

Can't Manage a Secret

No one has to carry
the issues alone.

Open
communication
enables
accountability and
shared solutions.

Complexity is the Enemy of Execution

Simplicity and
clarity accelerate
progress.

Keep it
understandable,
actionable, and
measurable.

Collective Accountability

We rise together.
Data ownership
matters, but
improvement is a
team sport.

We turn data into direction — not just to report, but to refine, learn, and improve

Term	Definition
Prison Rape Elimination Act (PREA)	The Prison Rape Elimination Act (PREA) is federal law that supports prevention of sexual assault and rape within corrections systems and also sets minimum standards for responding to allegations of sexual assault and sexual harassment.
PREA Coordinator	A full-time PREA coordinator oversees OYA’s work to comply with PREA across all nine OYA facilities. Each facility also has an on-site PREA compliance manager and Sexual Assault Resource and Response Coordinator.
Vulnerability to Victimization and Sexually Aggressive Behavior (VSAB) placement tool	The Vulnerability to Victimization and Sexually Aggressive Behavior (VSAB) placement tool is designed to determine a youth’s vulnerability to sexual abuse or sexual harassment or to determine if there are indications that the youth is prone to sexually abusing other youth
PREA Review Case Type	A tracking mechanism to track investigations that meet the definitions of sexual abuse or sexual harassment, retaliation monitoring, safety plans, and gather data requires for annual reporting.
PREA Documentation for VSAB Referral (DVR)	A form that tracks QMHP follow ups when a youth discloses previously unknown victimization or perpetration during a VSAB.
PREA Compliance Report	An annual report that is published to OYA’s website. The report provides data on investigations and actions the agency and facilities have taken regarding compliance with the PREA standards.

What We Do

OYA has a zero-tolerance standard toward all forms of youth sexual abuse and sexual harassment.

The primary goal for PREA federally is to "eradicate sexual violence in all types of correctional facilities".

Are we on the same trajectory in 2026 as we were in 2025 and 2024?

The number of investigations opened between Jan and May in 2026, look similar to the number of investigations opened between Jan and May of 2025 and in 2024.

16 unique youth are the alleged subject for 46% of the allegations reported from 1/1/2025 to 6/1/2026

■ Count of PREA Reviews (N=161) ■ Total Unique Youth (N=85)

Note that total allegations in this chart may not sum to total allegations previously reported as more than one youth may be involved in a single allegation.
