Insights into Action

Our Data Culture Framework

Hard on Data, Intentional with People

We challenge the information, not the individual.

Healthy tension strengthens our thinking.

If You Don't Know Your Data, You Don't Know Your Business

Understanding our metrics is a shared responsibility.

Knowing your data builds credibility and informs better decisions.

Transparency Builds Trust

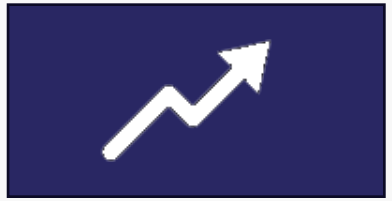

Sharing successes and struggles strengthens our collective effectiveness.

Can't Manage a Secret

No one has to carry the issues alone.

Open communication enables accountability and shared solutions.

Complexity is the Enemy of Execution

Simplicity and clarity accelerate progress.

Keep it understandable, actionable, and measurable.

Collective Accountability

We rise together. Data ownership matters, but improvement is a team sport.

We turn data into direction — not just to report, but to refine, learn, and improve

Definitions

Term	Definition
Prison Rape Elimination Act (PREA)	The Prison Rape Elimination Act (PREA) is federal law that supports prevention of sexual assault and rape within corrections systems and sets minimum standards for responding to allegations of sexual assault and sexual harassment.
PREA Coordinator	A full-time PREA coordinator oversees OYA's work to comply with PREA across all nine OYA facilities. Each facility also has an on-site PREA compliance manager and Sexual Assault Resource and Response Coordinator.
Vulnerability to Victimization and Sexually Aggressive Behavior (VSAB) placement tool	The Vulnerability to Victimization and Sexually Aggressive Behavior (VSAB) placement tool is designed to determine a youth's vulnerability to sexual abuse or sexual harassment or to determine if there are indications that the youth is prone to sexually abusing other youth.
PREA Review Case Type	A tracking mechanism to track investigations that meet the definitions of sexual abuse or sexual harassment, retaliation monitoring, safety plans, and gather data requires for annual reporting.
PREA Documentation for VSAB Referral (DVR)	A form that tracks QMHP follow ups when a youth discloses previously unknown victimization or perpetration during a VSAB.
PREA Compliance Report	An annual report that is published to OYA's website. The report provides data on investigations and actions the agency and facilities have taken regarding compliance with the PREA standards.

Prison Rape Elimination Act

What We Do

OYA has a zero-tolerance standard toward all forms of youth sexual abuse and sexual harassment.

The primary goal for PREA federally is to "eradicate sexual violence in all types of correctional facilities".

Prevention

- Hiring/Onboarding
- Risk review and response (support and resources)
- Actively seeking prevention opportunities
- Youth education
- Staff engagement
- Early intervention
- Culture of prevention

Response

- First responder duties
- Safety and Security
- Reporting

Accountability for youth, staff, agency

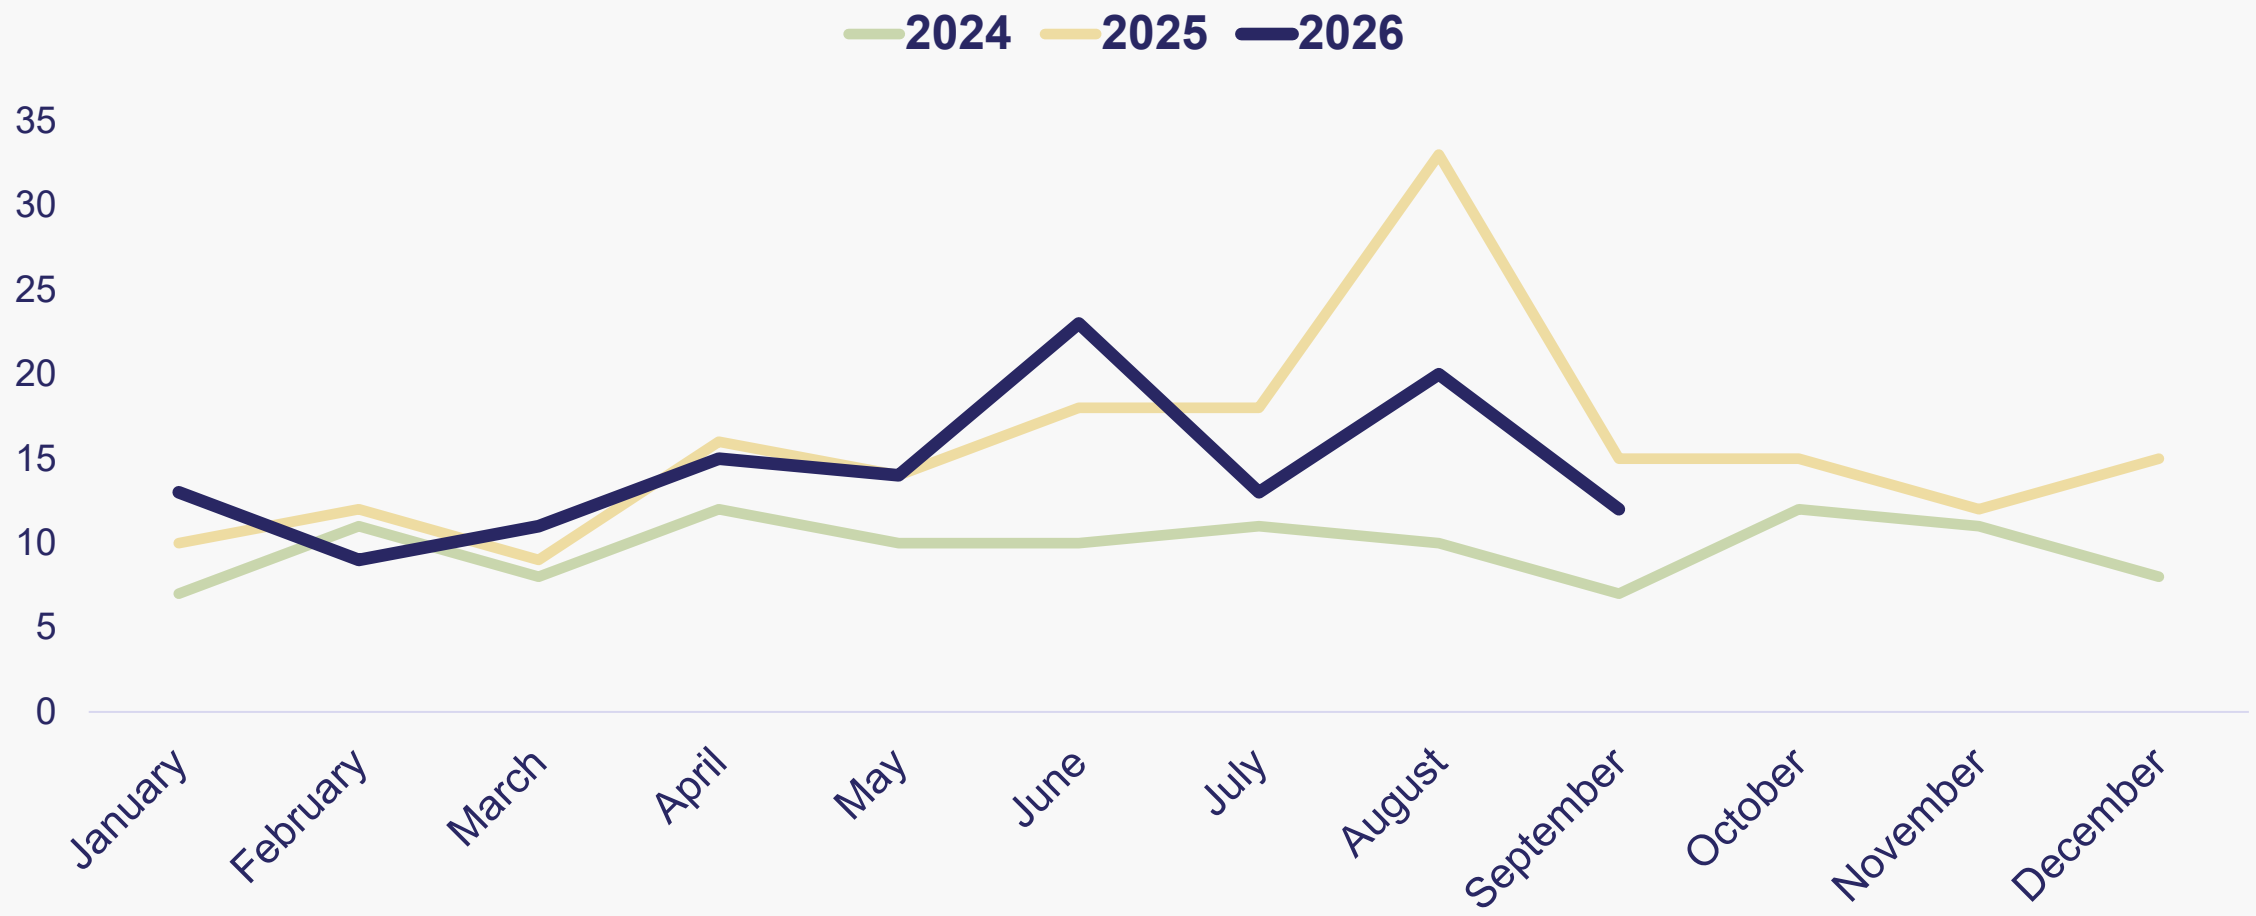

- Behavior Management
- PSO and HR
- Audits

Prison Rape Elimination Act

Are we on the same trajectory in 2026 as we were in 2025 and 2024?

It appears that the 2026 trend more closely resembles 2025.

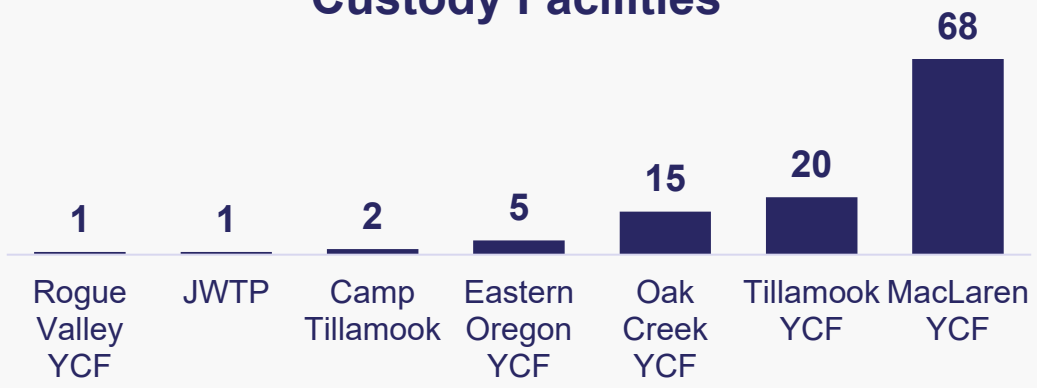

Note: These values include PREA-O cases.

PREA Walkthroughs by Facility

- II-A-3.0 Interactive Supervision of Youth
  - Walkthrough twice per month
  - Each weekday, each shift
- Tracked in Unit Logs
- Completed by LUM, OD, or CO

In September 2026, 100% of facilities met or exceeded requirement for PREA walkthroughs.

Performance Metrics

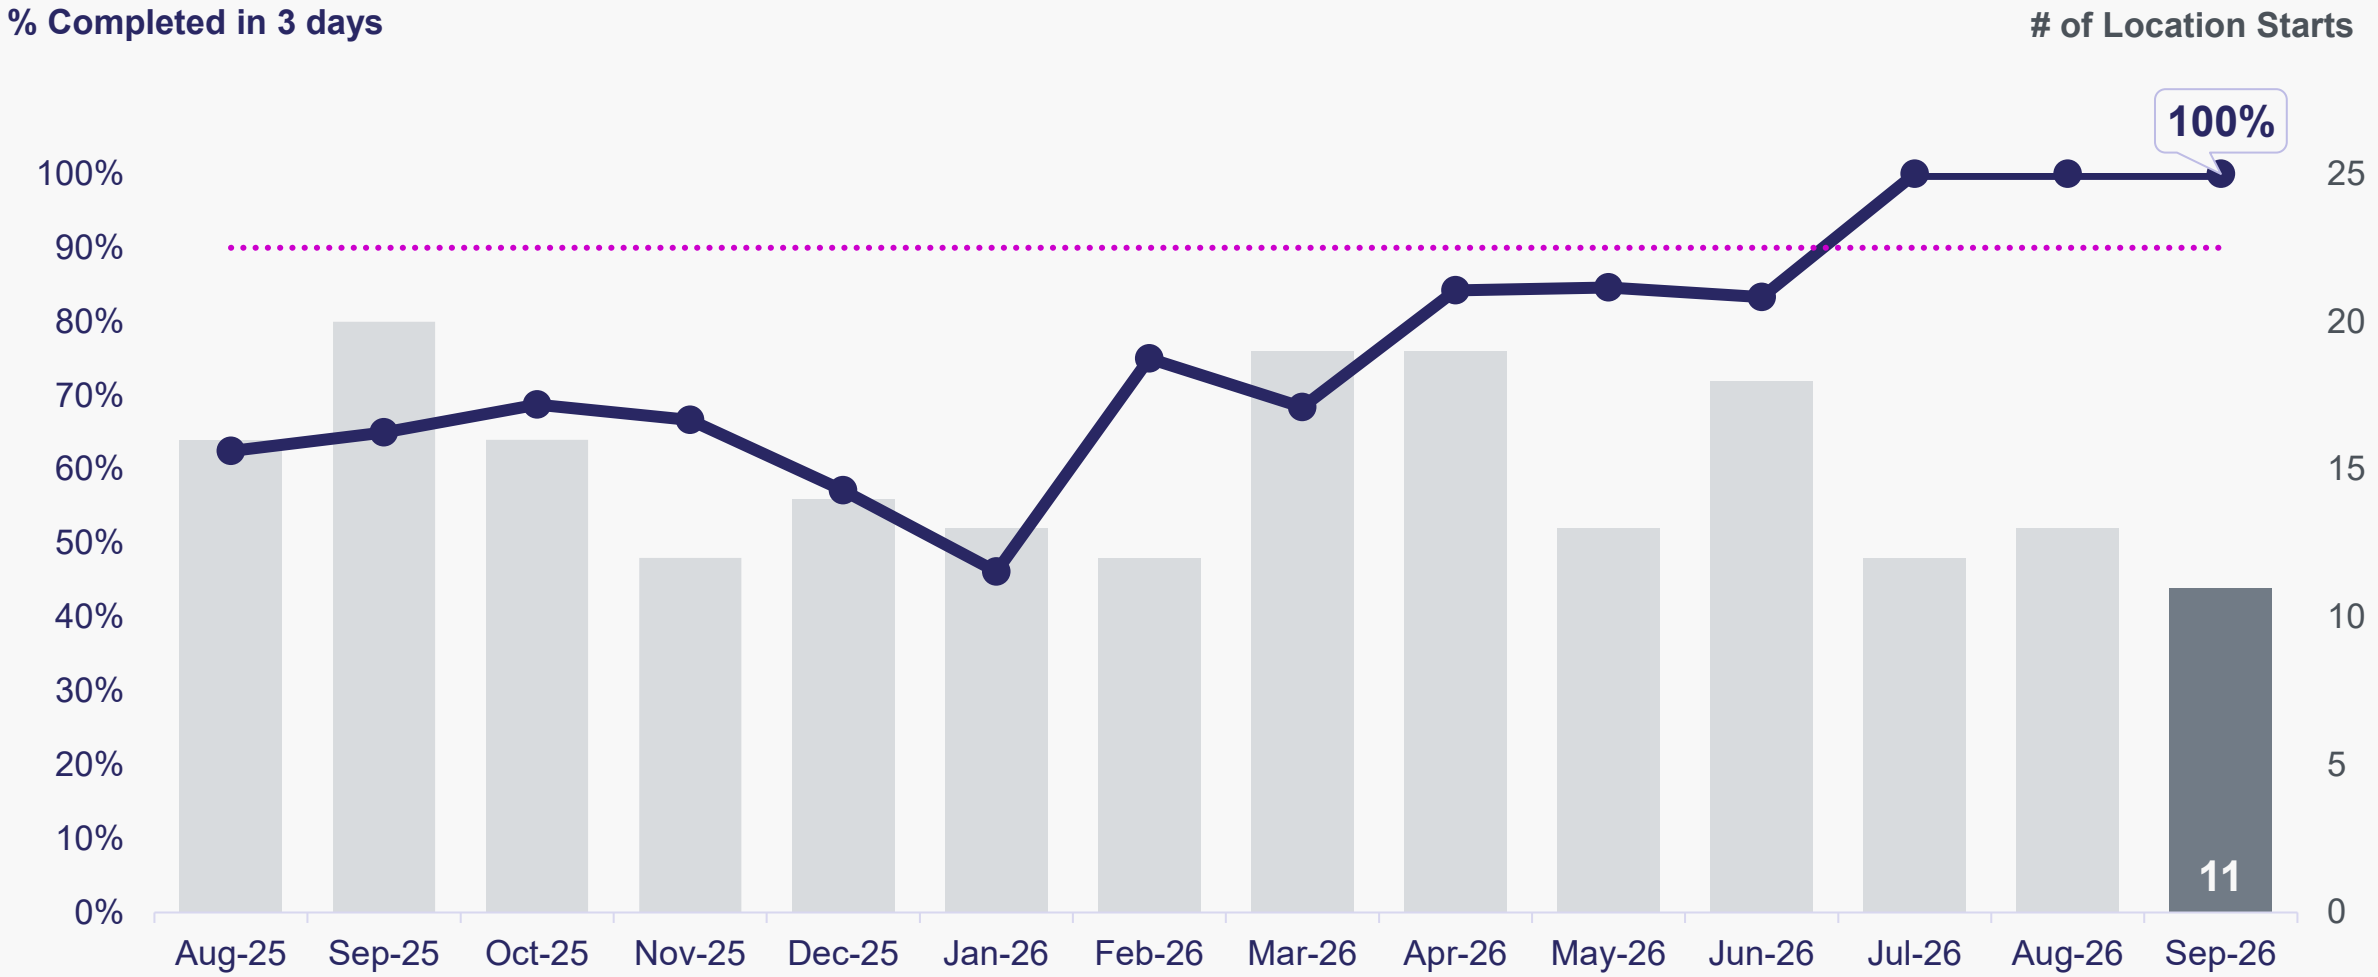

Prison Rape Elimination Act

All intake VSABs were completed within three days of admission

Prison Rape Elimination Act

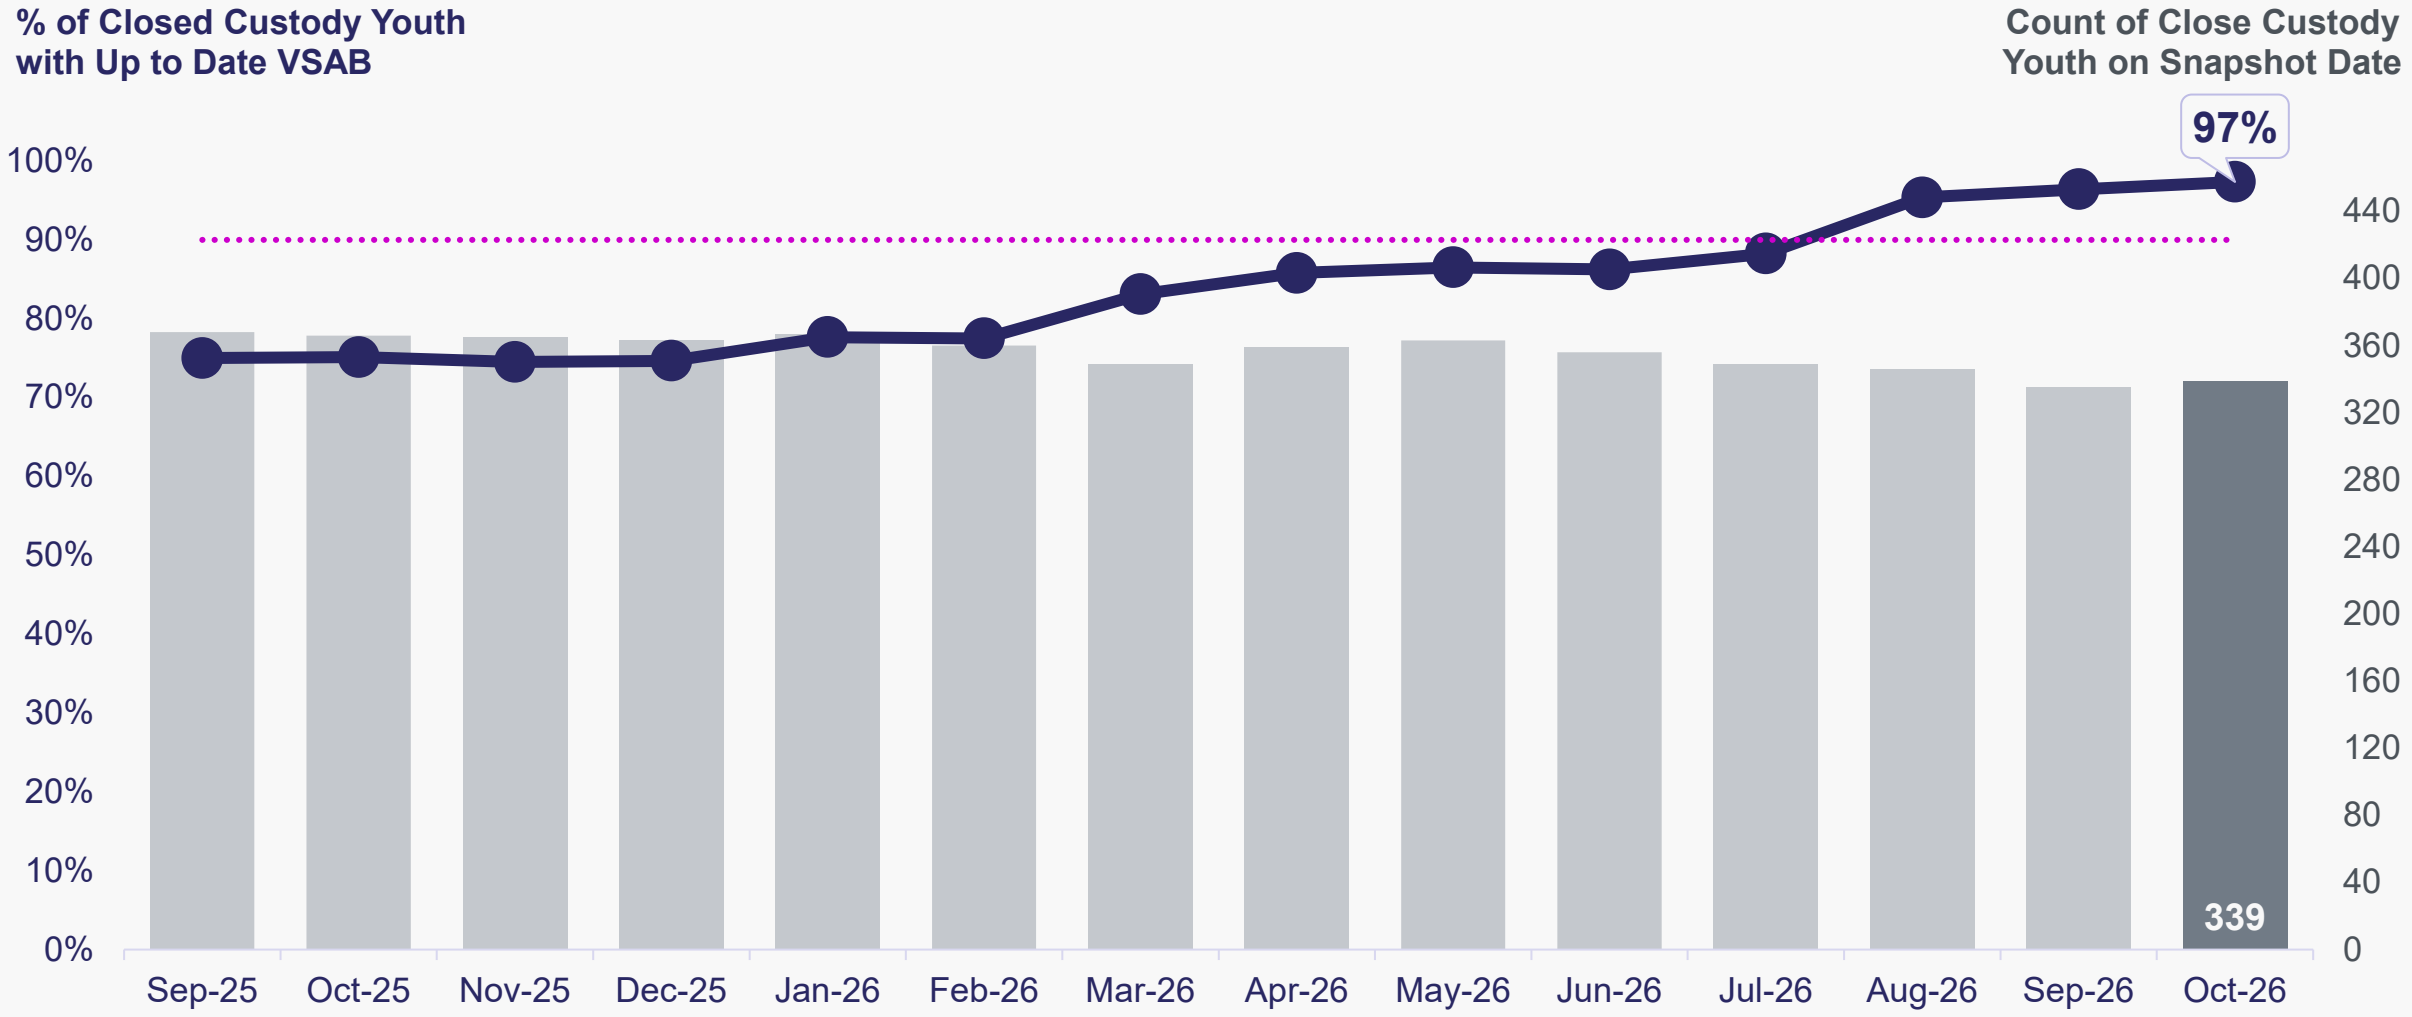

All VSABs completed within three days of transfer to another OYA Close Custody Facility

* In July, Eastern Oregon was evacuated due to a weather/fire related emergency, therefore Eastern youth movement was not included in analysis.

Prison Rape Elimination Act

97% of youth in OYA close custody had a current VSAB on snapshot date

Note: "Current" indicates a VSAB completed in the previous 365 days.

Progress Since Last IMPACT

Improvement Efforts

- Training, tracking reports, Workday modules

Future Measures

- Retaliation monitoring – victim, witnesses, and reporter should be tracked for retaliation for at least 90 days after a PREA review is opened
- Attorney and DHS notifications
- Timeliness of PREA reviews
