### I. PURPOSE:

The scope of this policy applies to OYA facility operations. This policy provides guidance for OYA staff when responding to a youth who is in the act of escaping or has escaped from an OYA facility; or a youth who is in the act of escaping or has escaped during a community escorted trip, program, or secure transport.

Apprehension of OYA youth on parole or probation status is addressed in OYA policies **III-C-1.1** (Field Custody) and **I-A-13.0** (Parole Revocation).
II. POLICY DEFINITIONS:

Youth: A person in the legal and physical custody of OYA, or a person in the legal custody of the Department of Corrections and the physical custody of OYA.

DOC youth: A person in the legal custody of the Department of Corrections and the physical custody of OYA.

Escapee: A youth:

- Who has left the grounds of a facility or work crew area without authorization;
- Whose location remains unknown after a reasonable search time regardless of whether he/she has gone beyond the perimeters of the facility;
- Who has physically escaped during a secure transport or from a hospital commitment; or
- Who has failed to return from an authorized leave at the specified date and time.

III. POLICY:

OYA facility staff must make every effort within their authority to apprehend an escapee. The act of apprehending an escapee poses a potential risk to the escapee, staff, and public. Standardized procedures must be followed to ensure staff safely execute the search and apprehension processes while protecting all parties involved.

A. Pursuant to ORS 420A.023, the OYA director has authorized OYA staff who have completed the Basic Training course offered by the Training Academy to do the following:

1. Prevent a youth’s escape from the grounds of an OYA facility; and
2. Go beyond the grounds of an OYA facility to -
   a) Pursue a youth who is in the act of escaping from the facility;
   b) Search for a youth who is in the act of escaping from the facility; and
   c) Recapture a youth who is in the act of escaping from the facility.

B. Each OYA facility administration must review its escape protocol annually and update it as needed.

C. Facility administration must ensure their staff participate in a debriefing after each escape attempt or successful escape.
IV. PROCEDURE:

A. Staff Response to Missing Youth

1. When a youth appears to be missing from supervision in an OYA facility; or during a community escorted trip, program, or transport, staff must -

   a) Maintain supervision and safety of the remaining youth.

   b) Lock down the immediate affected area (no youth movement) and notify facility security, central control, or equivalent. Remain locked down until cleared by facility security, central control, or equivalent.

   c) Complete an emergency count of all youth in the affected area to verify missing youth.

   d) Call 911 to alert law enforcement of the escape.

   e) Provide the following information to security, central control, or equivalent:

      (1) Youth’s name;

      (2) Time identified missing from supervision;

      (3) Location missing from;

      (4) Direction headed;

      (5) Description of clothing if information is immediately known and accurate; and

      (6) Known past patterns of escaping.

   f) Pursue and apprehend an escapee that is in the act of escaping only if safe to do so and no other youth are under the staff’s purview (see section C below).

C. Apprehending an Escapee beyond the Facility

1. When possible, staff must seek supervisory approval prior to apprehending an escapee.
It is recognized that there may be occasions where apprehending an escapee is not a planned process and it may not be possible to obtain prior supervisory permission. Staff may act without supervisory approval in these instances, and must notify a supervisor of the apprehension as soon as possible.

1. Staff who observe an escaped youth in the community after the facility search effort has officially ended must do the following:

   a) Immediately call 911 to alert law enforcement of the observation;

   b) Contact MacLaren YCF to verify an APB or warrant for the youth’s apprehension has been issued and is still in effect; and

   c) Avoid approaching or attempting to apprehend the escapee.

2. Facility staff on duty must ensure law enforcement was contacted so law enforcement may apprehend the escapee. If the staff who observed the escapee did not call 911, facility staff on duty must contact law enforcement.
