Section A: Member Information

First name		MI	Last name		PERS ID (optional)
Mailing address (street or PO box)					Social Security number (SSN)*
City		State	ZIP code	Country	Date of birth (mm/dd/yyyy)

Section B: Beneficiary determination information

If you die after retirement, PERS will pay any remaining IAP balance per the retirement/postretirement IAP beneficiary designation on file.

If you do not have a designation on file for your IAP account or your designated beneficiary predeceases you, PERS will pay per the statutory order in effect at the time of your death. The statutory order in effect at the time of publication of this form is: (A) Surviving spouse; if none, to (B) **Surviving children, in equal shares; if none, to (C) The member's estate.

**Biological and adopted children are considered "children." If your biological children are adopted by someone else, they are not considered your "children."

Section C: Designation instructions

- **You must provide a notarized declaration of your marital status in Section D. Nonnotarized forms will be rejected.**
- You may name persons, charities, trusts, or your estate as beneficiary.
- **If married**, you must name your spouse as your sole 100% primary beneficiary unless your spouse provides notarized consent in Section D allowing designation of another party as primary. The notarized spousal consent is required regardless of the percentage(s) designated to a primary other than your spouse.
- Providing the requested information assists PERS in locating your beneficiary after your death.
- If you need to add more beneficiaries, attach an additional sheet of paper that includes all the same information listed in the table for each beneficiary. Include your name and SSN* at the top of each additional sheet.
- The percentages assigned to primary beneficiaries must total 100%. Example, if you want to name 3 beneficiaries as equally as possible, use 33.33%, 33.33% and 33.34%.
- If you do not assign percentages, the beneficiaries on that level (primaries or alternates under each specific primary) will share equally.
- You can name one or more alternate beneficiaries for each of your primary beneficiaries. The alternates will receive the primary beneficiary's share if the primary beneficiary predeceases you. **Note:** The percentage you designate for the alternates must equal the percentage you assigned to the primary beneficiary (i.e., if you designate 50% to primary beneficiary #1 and have two alternates for that beneficiary, the percentages for the two alternates must total 50%).
- If you name a trust as a beneficiary, write the complete name of the trust in the 'full name' field.
- If you are naming your estate as beneficiary, write "My estate" in the 'full name' field. You are not permitted to name an alternate beneficiary for your estate.

*Providing your Social Security number (SSN) is voluntary. It will be used for confirmation purposes. If you choose not to supply your SSN, it may take PERS staff longer to process your form. In compliance with the Americans with Disabilities Act, PERS will provide help filling out this form upon request. You may request help by calling toll free 888-320-7377 or TTY 503-603-7766.

Section C: Designation instructions - continued

- If you have a member IAP account and you have an Alternate Payee (AP) IAP account from a divorce award, you need to submit a separate designation for each account. This form is for member accounts only.
- If you name your spouse as beneficiary and later get divorced, your spouse will be deemed as having predeceased you unless you or a court order expressly designates your former spouse to continue as beneficiary after the effective date of your divorce. This means that your former spouse is no longer your beneficiary unless otherwise provided by you or a court order.
- If your spouse has consented to a beneficiary other than themselves, your spouse can revoke consent up to the time of your death. To revoke spousal consent, PERS must receive and accept an [IAP: Revocation of Spousal Consent of Beneficiary Designation](#) form submitted by your spouse. If this occurs, your spouse will become your sole primary beneficiary.
