Individual Account Program (IAP) Rollover-Eligible Distribution

Important: Read instructions before you complete and submit the enclosed form.

General Instructions

- Use this form to change your payment distribution.
- Type or print clearly in dark ink. Illegible forms may be returned, which could delay your request.
- Do not change anything on the form; alterations will void the form.
- Sign and date the statement at the bottom of the form, and mail or fax the form to PERS.

Section A: Applicant information

Fill in the personal information block in Section A completely. If you do not know your PERS ID, leave it blank. Check one of the boxes in this section to indicate if you are a member, alternate payee, or beneficiary.

Section B: Payment type

If you check the box for my entire remaining account balance (one-time final payment), PERS will distribute your remaining IAP balance in one final payment. **You will no longer receive any IAP installment payments.**

If you decide to cash out and the distribution of your remaining account balance is greater than \$200, the distribution is rollover-eligible and will be taxed accordingly. If you decide to cash out, are under the age of 59½, and are not rolling over these funds, the IRS may assess a 10 percent early withdrawal penalty.

Section C: Authorization for distribution

You may only select one of the check boxes in this section. If you check more than one, we will return this form to you. This could delay your distribution date.
