**Re: One-Time Request for Review of Prior Year Earnings Charges Caused by Delayed Posting of 2011 Wage Records due to EDX Release 6.0**

Dear PERS:

Pursuant to Oregon Administrative Rule (OAR) 459-001-0030 and PERS Employer Announcement #72 entitled, "Account Correction/OAR 459-070-0100 Implementation" (5/9/12), we are requesting review of any and all charges for prior year earnings caused by the delayed posting of 2011 wage records due to the new restrictions on the posting of DTL2 records following the June 29, 2011 deployment of EDX Release 6.0.

The basis for this request is that we communicated "hire intent" information to PERS in a timely manner, and we should not be held liable for any prior year earnings that result from DTL2 wage records being posted after March 5, 2012, following adjustments by PERS based upon our hire intent information.

Sincerely,
