Subject: PERS: May 2008 employer update.

Dear PERS employer,

In this update:

- 1) Update on future EDX releases.**
- 2) Update on 2007 member annual statements.**

1) Future EDX releases.

The next release of EDX is tentatively planned for Fall 2008. That release will require entry of unused sick leave hours on DTL1 records with Status Code 02 (Termination). A zero hour entry will be accepted, but the field cannot be left blank. The title of the "Last Date Worked" field will be changed to "Date Last Service" to reflect that last service could include paid leave.

2) 2007 member annual statements.

Mailing of 2007 member annual statements will begin the week of 12-16 May 2008. Statements will go to the current member address in EDX. PERS and IAP statement information will be on a single sheet of paper. No annual statement template will be placed on the employer website this year, due to the number of possible variations in individual member account information. First hire dates for Ch.238 Tier1/Tier2 employment will be shown on the statement, but will not be included on OPSRP Pension program statements.

If employees have specific statement-related questions, please redirect them to our Customer Service line (503) 598-7377 or toll free (888) 320-7377. The Member Call Center will have additional staff available the next two weeks to help answer any questions.

Best regards,

PERS Employer OCE Team
