This is general information to help explain Senate Bill 1049 changes around Work After Retirement and may not reflect your personal situation.

*Generally, if you retired at or after “normal retirement age” or with 25 years of service as a P&F member, there are no limitations on the number of hours you can work if you are employed by a PERS-participating employer as a PERS retiree in calendar years 2020-2024.

**OPSRP P&F members must have held a P&F position continuously for five or more years immediately before their effective retirement date.
