The Oregon Board of Pharmacy recognizes CE that is ACPE accredited as well as those that have been approved by the Board. Please take the time to check your certificates to verify that you have the required number of hours and that the ACPE or Oregon Board of Pharmacy approval is listed.

    Please note: The Oregon Board of Pharmacy performs random CE audits. If selected, you will be required to provide proof of CE completed between July 1, 2018 – June 30, 2020. Be sure that your attendance certificate has this designation, and retain your certificate(s) in the event you are audited in an upcoming cycle.

12. Should I submit my CE to the Board?
    Please do not submit your CE to the Board unless you receive an audit notice via email after the renewal that requests proof of CE. If you are selected for audit, the letter will include instructions for submitting your CE.

    The Oregon Board of Pharmacy utilizes the NABP’s CPE Monitor program to audit continuing education. A CPE Monitor record was either not available or did not clearly reflect all of the continuing education requirements for renewal of your license. This is not a requirement at this time; however, the use of the NABP CPE Monitor for tracking all of your continuing education may avoid the need to provide additional documentation to the Board when you are audited in the future.
