NEED FOR THE RULE(S):

Proposes amending current Division 143 Pharmacy Prescription Locker rules by revising definitions, general requirements, security, outlet technology, policies and procedures, and records as directed by the board. Proposes repealing language related to registration including application, change of owner, location or PPL affiliated pharmacy and closure. Proposes repealing existing rules for non-resident PPL affiliated pharmacies, personnel, drug procurement, drug storage, drug loss, outlet sanitation, outlet minimum equipment requirements, outlet general requirements, outlet supervision, outlet pharmacist utilization, outlet non-prescription drugs and supplies, outlet controlled substances, outlet, dispensing general requirements, prohibited practices general and disclosure of patient information and grounds for discipline.

DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE:

ORS 689.338 https://www.oregonlegislature.gov/bills_laws/ors/ors689.html

STATEMENT IDENTIFYING HOW ADOPTION OF RULE(S) WILL AFFECT RACIAL EQUITY IN THIS STATE:

The proposed rule amendments may positively impact Oregonian's ability to access and pick up prescriptions without having to physically visit an open pharmacy.

FISCAL AND ECONOMIC IMPACT:

The agency does not anticipate a negative impact to estimated fee revenue related to the proposed rule amendments. Pharmacies are not required to operate a PPL. Licensees, registrants and interested parties will have an opportunity to provide fiscal and economic impact statements during the open comment period of rulemaking.

COST OF COMPLIANCE:

(1) Identify any state agencies, units of local government, and members of the public likely to be economically affected by the rule(s). (2) Effect on Small Businesses: (a) Estimate the number and type of small businesses subject to the rule(s); (b) Describe the expected reporting, recordkeeping and administrative activities and cost required to comply with the rule(s); (c) Estimate the cost of professional services, equipment supplies, labor and increased administration required to comply with the rule(s).

There are no anticipated additional costs associated with compliance for other state agencies, units of local government or the public. The proposed rule amendments apply to licensees and registrants of the Oregon Board of Pharmacy. As of 6/2026, approximately 31% of Drug Outlet Pharmacy (RP & IP) registrants identify as a small business. The rulemaking imposes the same mandatory reporting, recordkeeping and other administrative requirements on small businesses.

DESCRIBE HOW SMALL BUSINESSES WERE INVOLVED IN THE DEVELOPMENT OF THESE RULE(S):

Registrants who identify as a small business and who have signed up to receive notices will receive an email notice of proposed rulemaking via GovDelivery and will have an opportunity to provide public comment on the proposed rules for the board's consideration.

WAS AN ADMINISTRATIVE RULE ADVISORY COMMITTEE CONSULTED? NO IF NOT, WHY NOT?

The rule amendments were proposed by the board and pursuant to ORS 689.338.
