Please read the following instructions for applicants for registration as a Drug Distribution Agent.

1. Oregon Administrative Rule 855-062 defines and identifies Drug Distribution Agent registration requirements. <https://secure.sos.state.or.us/oard/displayDivisionRules.action?selectedDivision=3984>
2. A registration will be issued once all required paperwork and fee(s) have been submitted and approved. This facility may not commence business in Oregon or permit products to be distributed into Oregon until the registration is issued.
3. If this facility also engaging in Wholesaling activities, this facility must also apply for registration as a Wholesaler in accordance with OAR 855-065.
4. Each company or location address, even if under common ownership, must submit a separate application for registration.
5. You must pay a registration fee for each application for a **New Registration, an Ownership Change or a Location Change**. The Board can only accept payment by check or money order. **All fees are nonrefundable.**

Examples of a required ownership change application include but are not limited to: corporate restructure; LLC to a Corporation, Corporation to LLC; acquisition of assets; or additions or deletions of an owner. An ownership change requires submission of a copy of the sales agreement or other documentation that verifies proof of new ownership.

If you are completing these forms to report a **Name Change** only, you do not pay a fee.

6. **Oregon Controlled Substance Registration.** The Controlled Substance Registration is required for all outlets that manufacture or distribute controlled substances. Be advised that the Controlled Substance Registration is not an independent registration. It must be issued in conjunction with a Drug Distribution Agent Registration.

Applications will not be processed without the completion of the Controlled Substance Application. You must submit a copy of your DEA registration along with your application. If your facility **does not handle** controlled substances, please check the box "Not Applicable" and return it with the Application. Note: The controlled substance fee is **not** required if the application is marked "Not Applicable."

7. **License/Registration Verification in Resident State** (required only for applicants located outside of Oregon) **Applications for out-of-state drug distribution agents will not be processed without this verification.**

To prevent delays in processing, submit a completed verification form or letter from your resident state licensing agency **with your application(s)**. License verifications must be original and not tampered with, including the use of whiteout. Photocopies of registrations will not be accepted in lieu of a license verification from your resident state. If your license or registration can be verified online, a recent printout from the online system may be submitted along with a copy of the facility's resident license or registration.

If your resident state does not issue you any type of professional or business license, attach an original letter dated within the last 24 months, from the state agency that licenses drug outlets, or a copy of the rules or regulations stating that you do not need a license/registration.

8. **Oregon Revised Statutes and Administrative Rules** are accessible on our web site at: <https://www.oregon.gov/pharmacy>. You may purchase a set for \$25 (check the box on the application if you wish to purchase one or more sets).

Please be aware that your registration will be issued upon approval once all required paperwork and fee(s) are processed. Your registration is to be in your possession *PRIOR* to conducting business in Oregon. Drug Distribution Agent Registrations expire September 30th, annually, and fees are not prorated.
